Examinations

You'd better put every spare moment of your time from now on into real hard study, for you know there are only twelve more days and then you will be afforded the greatest pleasure of the semester - "FINALS". They begin on Wednesday, May 25, and continue until four o'clock on Friday, May 27. Now that we have disclosed the great secret, here's your chance to make this month's grade just as good, if not better, than those that have gone before.

Speak No Evil of History?

Perhaps no one will ever think of food or drink while history is being made next Thursday evening, but when men were memories and food was our passion, the all-important question was: "Are they going to serve anything?"

Now that men are realities and we are having a real date dance, it may be that we can't give a thought to mere food, but for tradition and old time's sake, we just want to whisper that punch is to be served in the gym and ice-cream and cake in the Horse-shoe.

Come Back for the Y.W. Party

The Y.W.C.A. is planning a big party to be given next September in honor of the new girls. Since the Big Sister plan was successful this last fall, the girls are planning to continue it next year. Wouldn't it be nice if each new girl could have a big sister of her very own? And wouldn't it be nice if they could be assigned this spring so that you could write letters this summer?

Home Ec Luncheons

The Home Ec girls have been entertaining with delightful luncheons and dinners the last few weeks as part of their work in cooking. They have gained practical experience in planning menus and serving, as well as in designing original table decorations.

The classes in cooking and house furnishing have visited St. Louis this spring to receive practical demonstrations there of their work; and the classes in sewing recently gave an exhibit of the costumes they have made this year.

FACULTY MARRIAGES

Among the members of the Lindenwood faculty who are to be married this summer are Miss Caroline Jesse and Miss Lucille Roberts.

Miss Jesse will be married on June 3 to Dr. John C. Blankenagel, head of the French Department of Franklin College, Franklin Indiana.

Miss Roberts and Mr, Earl Grey will be married the latter part of June. They will travel through the west and then sail for Honolulu. Mr. Grey is a prominent attorney in Ardmore, Oklahoma.

SUMMER VACATIONS

Miss Grinnen will sail for Italy in June with a wellesley friend. She will visit Amalfi, Capri, Pompey, Rome, Florence and Venice . She will return home at the end of the summer by the way of Genoa.

Miss Pugh will study at Columbia University for her Ph. D. degree.

Miss Hatch sails in June for a tour of Europe and other places of interest.

Miss Gill will be an assistant in the Home Economics Department of Columbia University and will also study for her Master's degree.

Miss Finley will remain at Lindenwood during June in order to get the Library in shape. The rest of the summer will be spent at home and in Akron, Ohio.

Miss Stringer will be at home during the summer.

Miss Brown will be a student at Columbia University doing work towards her master's degree.

Miss Sykes also will study at Columbia University.

Miss Louise Child will start an Advertising Agency in St. Louis, go to school, probably teach, organize Red Cross Centers in Alaska, tour the Southern part of Missouri on foot, be a free lance writer and edit a Woman's Column.

Commercial Club

The Commercial Club held a regular meeting in their room in Sibley on Monday evening, May ninth. Various phases of business were discussed. The part played by women in the modern business world is of particular interest to the girls who are taking the secretarial course A social meeting of the club will be held this Monday afternoon.

Thursday Assemblies

The splendid and very instructive talk given by Mr. LeBeaume Thursday in chapel was the last assembly lecture scheduled for this school year.

We all agree we have given this hour to lectures both entertaining and educational and we surely appreciate all Dr. Roemer has done in securing such interesting speakers for us.

.....

GARDEN PARTY

President and Mrs. Roemer and the members of the faculty will be at home to all the friends and patrons Of the college on Monday, May 30, from seven to ten O'clock. The Faculty Luncheon

As a climax to their year's work, the Home Economics girls entertained fifty-eight guests in the sewing room Saturday with a Japanese luncheon. The room presented a delightful oriental scene, being decorated as a Japanese tea room.

Japanese pottery, fans and screens transformed the spacious room, while vines and flowers created a veritable garden. Dainty Japanese maidens served the guests at tiny tea tables where the oriental scheme was further carried out in candle shades and place cards. The following menu was served :

Fruit Cocktail

.....

Pressed chicken in pepper rings
Creamed new peas in timbals
Irish potatoes on the half shell

.....

Stuffed tomato salad
Radish roses, pickles and olives

.....

Strawberry ice-cream in marguerite shells
Salted almonds Mints

.....

Coffee

.....

After the luncheon , a Japanese program was given by the hostesses.

IN DEFENSE

With this edition,"Linden Barks" closes its publication for this school year, News bulletins will frequently be found on the board opposite the Journalism Office.

We realize only too well that our work has not always been accurate or interesting. Many things have been omitted that now seem important. We do not blame you for criticising ; we even criticise ourselves but some times we have not been able to correct our faults until too late.

In the first place, we get no academic credit for this work. We have done it in spare moments, at night, and some times early in the morning while you were peacefully enjoying those precious last bits of sleep before warning.

If you don't think there has been work connected with it, come in and we will give you a private demonstration. The assignments must be carefully considered and given out, Although there are only six girls in the Journalism Department, we must know every thing that is going on all over school. After the assignments have been secured from elusive and busy people, the entire paper is arranged and typed as you see it. Those blue sheets called Stencils are perfect demons to make. Then the stencils are fitted on the mimeograph and after much inkiness on the fingers and face (it does not come off easily either) the papers are ready to be folded and put in your mail box. All we have asked you to do was to consider these things before you picked out the flaws.

We have had no outside money for the publication except the one dollar you so gladly gave last September. We wanted a printed paper but our purse could not be stretched to cover a fifteen dollar edition each week. We have shown that a weekly paper is possible but that a mimeograph paper cannot be made much of a success. However we are leaving fifty dollars as a nest egg for next year which we hope will be added to by our friends.

We wish to thank publically all members of the faculty and students who have been so generous in granting us interviews. Several clubs have regular reporters whohave handed in written reports of the meetings. We also thank all girls, outside of the Journalism Department, who helped with the paper the first semester and who have made stencils throughout the year.
