

Registration Comments

Students may only attend classes in which they have been formally enrolled. The enrollment period for each term begins with open Registration. Registration takes place on Saturday mornings at the St. Charles ([Lindenwood University Cultural Center](#)) and Belleville ([main Lindenwood University building](#)) campuses. Students who register on the specified Saturday are given first priority to the class for which they wish to enroll. **Please note that enrollment forms will be accepted only after Registration begins.**

Summer Trimester Registration begins Saturday, March 29th, 9:00 A.M.-Noon.
(Classes begin Monday, May 5th)

Fall Semester Registration begins Saturday, July 19th, 9:00 A.M.-Noon.
(Classes begin Monday, August 25th)

If a student is unable to attend the designated Saturday registration, the student has two options, (1) contact their advisor to set up an appointment to enroll or (2) fax their [enrollment form](#) to their advisor pending approval. Students who choose to fax their enrollment form to their advisor are responsible for confirming its arrival. Students faxing their enrollment form to their advisor at the St. Charles campus should call 636.949.4525 and leave a message. Students faxing their enrollment form to their advisor at the Belleville campus should call their advisor directly. New students must make an appointment with an advisor prior to enrolling in courses. Additional information regarding registration can be found in the [Handbook](#).
