Loan Repayment

Student loans are funds borrowed by students to pay educational expenses. Student loans must be repaid, as outlined in University literature. A sample loan repayment schedule may be obtained by contacting the Financial Aid Office.

Student loan entrance and exit interviews are required for the Federal Stafford Loan Program (required by 34 CFR 672.42 and CFR 682.04, respectively). The terms and conditions under which borrowers under the Direct Loan Program may defer payments of their loan principal and interest are reviewed during the exit interview. Additional information regarding deferment of loan repayment may be obtained by contacting the student loan guarantor or the Financial Aid Office.

Combining Terms of Enrollment

In some cases, students can combine enrollments in two or more concurrent terms to attain the minimum enrollment for financial aid eligibility.

Terms may be combined as follows:

- Fall Semester and/or Fall Quarter and/or Fall MBA I
- Fall Semester and/or Fall Quarter and/or Fall MBA II
- Spring Semester and/or Winter Quarter and/or Spring MBA I
- Spring Semester and/or Winter Quarter and/or MBA II
- Summer Semester and Summer MBA

Note: Spring Quarter and Summer Quarter may not be combined with any other term.

Expectation of Student Work

Student work is defined as assignments, homework, and other academic activities to be completed outside of instructional time, including reading, studying, writing, research etc. Students should expect to spend a minimum of two hours per week completing this work for each credit hour enrolled (thus 6 hours of work outside of class for a 3-hour course), although the time spent outside of class may increase based on the topic and level of the course.

Catalog of Entry

Students are required to satisfy the degree requirements of the catalog in effect at the time of matriculation. A continuing student who desires to pursue a course of study added to the curriculum in a subsequent catalog year must submit a catalog change request to the office of Academic Services. If the request is granted, the student will be bound by all requirements in the new catalog. Students who discontinue study at Lindenwood University may be required to adopt the requirements of the catalog in effect at the time of readmission depending upon the length of the absence. See the Academic Policies and Procedures section of this catalog for further information.

Academic Load, Student Status Designations, and Enrollment Limitations

Student status is determined by the number of credit hours in which a student is enrolled in a given term. Graduate student status designations are indicated below. **Students may enroll in up to nine credit hours per term through the student portal.**

Permission of the Dean of the School of Business and Entrepreneurship is required to enroll in more than nine credit hours per term.

Full time Enrollment

- Six or more credit hours

Half-time Enrollment

- Four to five credit hours

Less than Half-time Enrollment

- Three or fewer credit hours

Note: In order to remain in compliance with US visa regulations, students on an F1 visa must maintain full-time enrollment status by enrolling in a minimum of 6 credit hours per term.

HP 51000 Advanced Strength Training (3) This course is a study of techniques in various strength training exercises. Theory, principle and application of advanced exercise used in rehabilitation and sport specific training are discussed. The students will have a keen understanding of the responses and adaptations of the muscles, nerves and metabolism during strength training. A portion of this class will be in the weight room for practical application.
