Mission & History

Lindenwood University is committed to

- Providing diverse opportunities for students to engage the arts.
- Affording cultural enrichment to our surrounding community.

Lindenwood University's J. Scheidegger Center for the Arts opened in the fall of 2008 with two sold-out performances by the legendary Liza Minnelli, and has been entertaining the St. Louis region ever since. Some of our most exciting performances have featured Tony Bennett, Jay Leno, Willie Nelson, Amy Grant, Marvin Hamlisch, and The Beach Boys. The theater is equally known for its series of national tours including: *CATS*, *Grease*, *Jesus Christ Superstar*, *Legally Blonde*, *Movin' Out*, *Annie*, and much more! With its intimate setting and accessible location, The J. Scheidegger Center for the Arts provides an unparalleled experience in arts and entertainment.

In addition to our professional touring series, the facility is also home to Lindenwood University's School of Arts, Media, and Communications which produces regular performances and exhibitions by students in the theatre, dance, art, fashion, technical theatre, and music programs. Venues include the 1,200 seat Lindenwood Theater, the Emerson Black Box Theater, and the Boyle Family Art Gallery. Also included are two dance studios, a costume shop, the Charter Communications High-Definition Television Studio, several piano studios and private music rooms, separate choral and orchestral halls, and many other amenities for both our students and the community.

Programs available to the St. Louis metropolitan area include the Lindenwood Touring Series and our popular Academic Series featuring university theatre, music, and dance productions, along with art exhibits, and fashion shows throughout the year.
