

Guidance for Selecting LU Consent Templates

There are a number of templates available for informing, consenting, and assenting research participants. This guidance will help you select the right form for your research.

Name of Form	Review Pathway	Age Range	Special Circumstance
Classroom Project Information Sheet	Non-Human Subjects Research	Adult	For use when activity qualifies as a Classroom Research Project.
Exempt Research Information Sheet	Exempt	Adult	For use when research qualifies for Exempt Review and participation involves more than just a survey.
Survey Information Sheet – Nonidentifiable	Exempt	Adult	For use when research qualifies for Exempt Review and participation only requires a survey which is not collecting identifiable information.
Survey Consent Form – Identifiable	Exempt, Expedited	Adult	For use when participation only requires a survey, but is collecting identifiable information.
Minor Assent Form	Expedited, Full	Minor	For use when research involves minor participants.
Adult Consent for Minor Form	Expedited, Full	Minor, Adult	For use when research involves minor participants and parents or legally authorized representatives are also required to consent on behalf of minors.
Adult Consent Form	Expedited, Full	Adult	For use when research involves adult participants. This form is always required in cases of greater than minimal risk research.
