Undergraduate equivalent courses are accepted.

Students in the school counseling track are required to complete a minimum of 700 hours of supervised field placements over two semesters. Prior to Field Placement, students must have a GPA of 3.0 or higher. Students are expected to earn a grade of A or B in Field Placement 1 (IPC 60700) in order to graduate. Students will be required to repeat the course if they earn less than a B. If students take an incomplete during their second internship, regardless of how many hours are needed, they must enroll in IPC 60801 for zero credit hours to allow them to attend internship classes while completing the required internship hours. A fee of \$50 will be incurred for each extension.

In addition, each student will purchase and compile an electronic portfolio demonstrating competencies as delineated by the Illinois School Board of Education standards, to be completed by the end of Field Placement 2. Further information regarding exit requirements is provided in the School Counseling Handbook.
