

## **Eastlick Hall**

**Building Coordinator:** N/A – unoccupied

### **Building Background:**

- Fire extinguisher locations:
  - First floor by rear exit door

### **Building Evacuation Route:**

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- Upstairs offices use stairs to exit rear door
- Rooms 104 and 105 - use front door
- Rooms 106-108 - use rear door

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

### **Evacuation Assembly Area:**

- Commuter parking lot

**Bad Weather/Safe Area:** In the event of severe weather, all building occupants should seek shelter in the lowest part of the building. If time permits, seek shelter at Young Hall, on the lowest level of the building, away from windows, and take cover.
