

**HLC Fact of the Day:**  
**“HLC Assurance Argument Has Been Submitted and Locked for Review!”**  
(October 10, 2017)

It's official! We submitted our HLC Assurance Argument on October 9 at 3:00 p.m. At that same time, we submitted three other required documents: a monitoring report on the assessment of student learning, a multi-campus (Belleville) report, and a federal compliance report. In the coming days, watch for an announcement granting YOU access to the Assurance Argument so you can be prepared for the HLC visit in November. Dates and times for informational sessions will be announced soon so that you can learn more about the Assurance Argument and be ready to meet with our visitors. Stay tuned for these announcements!
