

## Linden Lodge

Building Coordinator: Residential Community Coordinator

Building Background:

- Three floors
- Fire extinguisher locations:
  - 114, 134, 145, 234, 245, 334 and 345
- Fire alarm locations:
  - North, south, southwest, west stairwells and exits
  - North main lobby entrance and west lobby exits

Building Evacuation Route:

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- Rooms 105-121: northwest main lobby entrance or west lobby entrance
- Rooms 123-136: north or west exits
- Rooms 139-155: south or main lobby exit
- Rooms 223-236: north or west stairs
- Rooms 239-255: south or west stairs
- Rooms 200-221: west or southwest stairs
- Rooms 323-336: north or west stairs
- Rooms 339-355: south or west stairs

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- East parking lot

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (First Floor between the North Exit and Elevator Room - Fraternity Room). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.

**LU Security: 24/7 – (636) 949-4911**
