

## QUANTITATIVE LEARNING CENTER TUTORING SCHEDULE – SPRING QUARTER 2018

Please reference the Lindenwood webpage (<http://www.lindenwood.edu/about/our-campus/campus-map/>) for details regarding each location.

- Tutors will be available according to the schedule below. Students may schedule for a time during a particular tutoring session or simply drop-in. Scheduling should be done by emailing the appropriate tutor. In the event that a student must cancel a tutoring session, the student should notify the tutor via email.
- All tutoring and math placement test review sessions are conducted in a group format.
- Students should come prepared to every tutoring session with their book(s) (or math placement study materials), class notes, pencil/pen, and laptop (if available and if needing help with homework assigned through an online system).

## MATHEMATICS PLACEMENT TESTING SCHEDULE – SPRING QUARTER 2018

**LUCC is the Cultural Center located at 400 N. Kingshighway, 63301. Specifics regarding all other testing locations will be provided upon scheduling with Dan Ingram or Dorothy Peterson.**

- All students are required to take the math placement test prior to enrolling in a general education math course through ADP. If you have already received transfer credit for a General Education mathematics course, contact your advisor to see if the math placement test requirement may be waived.
- Students may enroll in Foundations of Mathematics without taking the mathematics placement exam.
- Students have a total of **two attempts** to pass the mathematics placement test. **A no show is counted as one attempt.**
