

LINDENWOOD

LIKE NO OTHER

Take the Next Steps Towards Your Future

Now that you are a lion, here are your next steps to completing your admissions and enrollment at Lindenwood University!

- **Accept Your Admit:** Log into your Workday account and accept your admit. Additional instructions are available.
- **FAFSA:** In order to determine if you are eligible for federal, state or needs based aid you will need to complete your FAFSA and submit this to Lindenwood. The FAFSA is found at www.fafsa.ed.gov and Lindenwood's school code is 002480. Once we receive your FAFSA and verification is complete, you should expect to receive your full financial aid package within 2 weeks. If we do not have your social security number we will not be able to access your FAFSA information. Please verify this with your admissions team.
- **Master Promissory Note and Entrance Interview:** If you are choosing to use your Stafford Student Loan you will need to complete your Master Promissory Note and Entrance Interview. You are able to locate this on Lindenwood's Financial Aid page of the website. <http://www.lindenwood.edu/admissions/tuition-financial-aid>
- **\$200 Enrollment Deposit:** Submit your enrollment deposit to confirm your attendance and become eligible to enroll in your courses. As a reminder, students are enrolled in courses after their placements have been completed and on a first come, first serve basis. Enrollment deposits may be submitted through your student portal and are applied to your first semester of tuition.
- **Math and English Placement Exams:** You will receive information regarding placement exams via email and are able to locate these through Canvas Portal. Placement exams must be completed and/or waived before you will be able to enroll in your courses.
- **\$200 Housing Deposit:** If you are a resident student you will submit your housing deposit to hold your place in housing. Housing assignments are chosen through StarRez on a first come, first serve basis. The housing deposit becomes refundable after one full time residential semester.
- **Final Transcripts and Test Scores:** At the completion of your final semester you will need to request to have your final transcripts submitted to Lindenwood University to complete your file in admissions. Students must have all final transcripts submitted in order to check in.
- **Lindenwood Experience:** Lindenwood Experience day is an exciting opportunity for you to meet with the faculty, staff and current students to learn about ways to become involved and what to expect from your School during your time at Lindenwood. We also have workshops available for parents and/or guardians to attend. Your admissions team will register you for June 10 or July 22.
- **New Student Orientation:** Look for your informational packet on how to RSVP for orientation in the mail throughout the month of July!

If you have any questions or need assistance as you complete your application and enrollment process please do not hesitate to contact the admissions team at 636.949.4949 or admissions@lindenwood.edu.

We are excited that you will be joining us for the Fall 2017 semester!
