January 2018

## Career & Internship Fair

The Career Development Office is hosting an Internship & Career Fair on February 22nd, 2018 from 3 - 6 pm in the Evans Commons Gymnasium.

On this day, there will be a wide variety of companies featuring opportunities for paid internships and full-time jobs. This event is open only to Lindenwood students and alumni. Professional dress and student/alumni ID are required.

This will be a great opportunity to meet potential employers and get to know more about their organization and opportunities. It's never too early for your Lion to start preparing for their future career!

Students can login into their Handshake account to see a list of all employers in attendance at the event. Any questions regarding the event can be directed to Dana Wehrli, Director of Career Development, at [DWehrli@Lindenwood.edu](mailto:DWehrli@Lindenwood.edu) or 636.949.4806.

## National Mentoring Month

To celebrate National Mentoring Month, the *Lindenwood Freshmen Council* offered all students the opportunity to thank campus mentors by signing Lindenwood-themed cards. In all, over 200 cards were signed by Lindenwood students! Booths were setup between January 23-25 in various buildings on campus. Cards will be delivered to mentors during the last week of January. For the purposes of this initiative, mentors included on-campus faculty, staff, or peers who have served as a professional and/or academic role model to students.

First-Year Programs Coordinator and Freshmen Council Advisor, Dacoda Scarlett, had this to say about the initiative, "Mentors are extremely important to the life of a college student and play an integral role in helping move Lions from students to alums. This initiative allows students the opportunity to say thank-you to the mentors in their lives in an easy manner."

The Lindenwood Freshmen Council will be supporting a Winter Pick-up program throughout the month of February. Parents, families, and supporters are encouraged to follow along by looking up #LindenLove on Twitter and Instagram all month long!
