

Program Expenses

For costs related to tuition, room and board, parking, graduation, and other standard university expenses, please refer to the Financial Services section in the catalog. Lab fees are also located in the catalog in the course descriptions. For specific information related to program-specific expenses, please see below.

Athletic Training Program Expenses	Estimated Cost
*National Athletic Trainers' Association (NATA) Membership	\$60/year
Athletic Training Course Lab Fees (i.e. equipment, certifications, apparel)	\$200/year
Criminal Background Check	\$15
**Transportation	varies
BOC Examination Fees	\$360

* Recommended

** Athletic training students are responsible for providing transportation to and from their clinical sites and all expenses associated with this travel. However, currently the program has more than 20 affiliated sites within 15 miles from campus, so traveling is minimal for our athletic training students. Students will have the opportunity to pursue other internships across the country, and all costs associated with travel and lodging for these internships will be the student's responsibility.
