

ROTC

Building Coordinator: Lee Rodriguez (314) 935-5521

Building Background:

- One Level

Building Evacuation Route:

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- Exit through main front entrance

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- Auto Zone parking lot

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (The Vault). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
