## Payment Options

All tuition and fees are payable prior to the term beginning. Student account representatives in the Business Office should be contacted regarding due dates or other payments arrangements. Payment options include each of the following:

**Corporate Promissory Note** — The Corporate Promissory Note is available to students who work for companies that have tuition reimbursement plans. Proof of employment and a copy of the company’s reimbursement policy must be on file in the Business Office. The amount of the promissory note cannot exceed the amount the employer pays for tuition for each term. The due date for all promissory notes is 30 days following the conclusion of the term for which the note applies. A monthly late charge will be assessed after this date. By signing a promissory note, Lindenwood University has been given permission to contact the employer if the note is not paid by the date due.

**Direct Debit Payment Note (DDP)** — Lindenwood University is pleased to offer Direct Debit Payments for the convenience of students on their payment plans. Payments can be made directly (electronically) from a checking account. There is no set-up fee or interest charged for this method of payment. Any payment or financial aid received prior to the promissory note due date will be applied to the balance appearing on the student’s account.

**Older Student & Institutional Grants** — Lindenwood offers a 50 percent scholarship to all persons age 60 and over. The university also offers partial institutional grants for employees of selected companies, municipalities, and school systems. These grants apply to the tuition-for-credit classes. Any other funding may first replace the Lindenwood University grant.

## Housing Deposit and Enrollment Deposit

Resident students are expected to pay a \$200 nonrefundable fee to reserve their rooms. After the

charges for the year have been paid, this fee becomes a refundable room damage deposit .

An additional charge will be added for all single rooms in the dormitories and/or apartment/house living quarters (on a space-availability basis) .

When students have been accepted for admission, students, parents and/or guardians accept all conditions of payment as well as all regulations of the university . In making the payment of \$200, the student and his or her parent or guardian acknowledge these terms and signify acceptance of these obligations . No promise or contract that differs from these terms shall bind the University unless it has been signed by the chief operating officer of Lindenwood University . The University reserves the right to increase or reduce fees each year according to changes in fiscal conditions .

## **Withdrawal and Refund**

Any student wishing to withdraw from Lindenwood University should submit a completed withdrawal form (with the signatures of the instructors for each of the courses the student attended and the signature of the student's advisor) to the Academic Services Office, located in the lower level of Roemer Hall, between the hours of 8 a.m. - 6 p.m. Monday through Thursday, and 8 a.m. - 5 p.m. Fridays .

Notes: (1) Calculations of the return of Title IV aid for withdrawals occurring during the first two weeks of a term will be based on the last date of attendance for the term in which the student withdraws . Students who initiate a withdrawal from the University after the first two weeks of the term will be eligible for a refund of Title IV aid based on the date that the withdrawal form was submitted to Academic Services . A student who remains enrolled beyond the 60% point of the term will not be entitled to a return of Title IV aid.

(2) Any student who earns the grade of AF in all coursework within a term will be considered unofficially withdrawn for that and will be subject to a Title IV refund calculation . Based on this calculation a portion of Title IV aid may be unearned and required to be returned to the appropriate agency.

(3) No refund for residential charges will be made for a term after the student signs either a New Student Housing Application or a Returning Student Housing Application and the term has started . Application, activity, lab, miscellaneous fees, and room reservation deposits are nonrefundable, except as indicated under the Housing Deposit section of this catalog .

All students are subject to the Lindenwood University refund calculation as described below . If any student withdraws prior to the beginning of a term, all payments for that term, except the initial \$300 non-refundable room reservation deposit, will be refunded.

The refund policy for tuition, including overload charges for semester and trimester schedules, is as follows:

Withdrawal during 1st two weeks 75%  
Withdrawal during 3rd week of term 50%  
Withdrawal during 4th week of term 25%  
Withdrawal after 4th week of term No Refund  
The Quarter tuition refund schedule is as follows:  
Withdrawal before 1st class meets 100%  
Withdrawal before 2nd class meets 75%  
Withdrawal before 3rd class meets 50%  
Withdrawal before 4th class meets 25%  
After 4th class meets No Refund

No refund for room charges will be made for a term after the student signs either a New Student Housing Application or a Returning Student Housing Application . Application, activity, lab and miscellaneous fees and room reservation deposits are non-refundable, except as indicated under "Enrollment Deposit" and above .

## **Withdrawing from Courses**

Students may withdraw from a class within the first week of class of each term without having to obtain the signature of the faculty member, and the class will be dropped as a "never attend ." A student wishing to withdraw from all of his/her classes needs to obtain the signature of each instructor to indicate the last date of attendance in each class .

To withdraw from a course with a "W," a student must complete and sign a withdrawal form before the last day to withdraw with a "W," secure the signature of his/her academic advisor, and, if he/she has attended the course at least once, the signature of the instructor of the course .

Late withdrawals will be approved only under extreme circumstances . Only extraordinary, documented reasons for withdrawing after the stated deadline will be honored . A low grade in the class, lack of interest in the subject matter, a different learning style from that of the classroom professor, or a change of major/requirements will not be honored as reasons for late withdrawal .

If a student believes that extraordinary circumstances require withdrawing from a class after the deadline, the student must complete the following steps:

- 1 . Write a letter fully specifying the reasons for the withdrawal .
2. Gather supporting documentation (physical report, court documents, hospital documents, etc .).
3. Meet with the academic advisor for a signature on a policy exemption form .
4. Meet with the dean of the school for a signature on the exemption form .
5. Submit the signed form to the Vice President for Academic Affairs.

## Graduation Applications

Official dates of graduation are March 30, June 30, August 30, September 30, October 30, December 30, and the designated commencement day in May . If a student expects to complete degree requirements by the end of this term, he/she must complete an application for graduation by the designated date listed in the schedule and/or catalog . Applications are available in the Office of Academic Services. Applications received after the stated deadline may be held until the following graduation date.

## Transcripts

Official transcripts are sent directly to a college, employer, or other agency and bear the university seal . Student copies may be sent directly to the student and are identified as such. The fee for either type of transcript is the same .

In accordance with federal law (The Family Educational Rights and Privacy Act), student transcripts are issued only at the written request of a student . A transcript will not be released without the student’s signature appearing on the request . Transcript requests are not accepted by telephone . A transcript is a picture of the student’s complete record at Lindenwood University . Partial transcripts are not issued . Transcripts of work completed at other colleges must be obtained directly from those institutions .

The library subscribes to more than 90 online databases that are accessible through the library’s website. A number of the databases provide full-text access to research materials. In addition to the databases, the library has purchased supplementary electronic tools that easily facilitate navigation of these online resources. A valid student ID is also required to access the library’s databases.

Additional services available through the Library and Academic Resources Center include

- Access to reference librarians in person, via email, by telephone, or chat.
- Computer lab.

### The Writing Center

Located within the Office of Student and Academic Support Services (SASS) in the Library and Academic Resources Center, the Lindenwood University Writing Center, offers tutorial assistance to students working on written assignments. Students are highly encouraged to make appointments on the Writing Center website. Peer tutors are student workers available in SASS within the Library and Academic Resources Center. Tutoring for course topics requiring special equipment or models will take place in the appropriate academic buildings outside of SASS. An available tutor list identified by topic and location can be found on PC Common, an internal drive accessible to all Lindenwood students and faculty, in the Tutor Lists folder. Students may also contact SASS at [sass@lindenwood.edu](mailto:sass@lindenwood.edu) or call (636) 627-2543 with additional tutoring services questions. Students are also encouraged to ask their classroom professors about possible tutoring assistance.

Lindenwood also offers online tutoring from Smarthinking, which is available to any Lindenwood student. Online tutors are available to work with students 24 hours a day, depending upon the subject area.

Tutors are available in many subjects including writing, math, accounting, statistics, finance, economics, biology, anatomy and physiology, physics, chemistry, and Spanish. Students may access online tutoring through Canvas and the student portal.

### **Student and Academic Support Services (SASS) and Student Ombudsman**

Students who experience problems of any type are encouraged to visit the Office of Student and Academic Support Services (SASS). SASS assists students in the resolution of obstacles that impede academic progress. SASS staff can assist with inter-office facilitation, institutional guidance, academic mentoring, and dispute resolution. The associate vice president for student and academic support services also works as a liaison between students and other university offices and serves as the official university-student ombudsman. SASS is located in the Library and Academic Resources Center and can be contacted at [sass@lindenwood.edu](mailto:sass@lindenwood.edu) or at (636) 627-2543.

### **Wellness Center**

The Wellness Center offers students a number of useful services free of charge. Medical conditions, from flu-like symptoms and minor injuries to physical examinations and immunizations, can be treated by the on-site SSM nurse practitioners on duty. The Wellness Center also offers confidential individual and group counseling, along with some career counseling services and limited attention deficit evaluation services. Counseling is provided by Jessica Morris, staff therapist, and by full- and part-time graduate-level counseling interns, supervised by Dr. Joseph Cusumano, a licensed professional counselor, who also provides limited counseling services. Walk-ins are welcome for the purpose of making appointments. Appointments may also be made by calling 636-949-4525 or 636-949-4522. Counseling offices are located in The Wellness Center, on the third floor of Evans Commons.

### **Campus Accessibility for Students with Disabilities**

The guiding philosophy of Lindenwood University is to make programs and facilities as accessible as possible to students with disabilities. The coordinator for campus accessibility services acts to ensure the accessibility of programs and assists and supports students with disabilities. Students who need assistance or accommodations for certified disabilities should contact the student support and accessibility coordinator at (636) 949-4510.

Students are encouraged to serve as their own advocates and to be responsible for obtaining special services offered by the university. If the coordinator is unable to satisfy a reasonable request, that request may then be directed to the office of the associate vice president for student and academic support services, located in the Library and Academic Resources Center.

### **Office 365**

Important messages including information about academic standing and financial aid are sent via the university's internal email system. Students will be held accountable for any information or due dates sent via the campus email system. Office 365 accounts are provided for all students and may be accessed from the Lindenwood homepage.
