## EMERGENCY EVACUATION PROCEDURES: **STUDIO WEST**

---

### **Studio West**

**Building Emergency Coordinator (BEC): Prof. John Troy (636) 949-4856**

#### **Building Background**

- One Floor
- Fire Extinguishers: located north exit door
- Fire Alarms: east main door and north exit door

#### **Building Evacuation Route**

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area

- Escape through North or East Door. Whichever route is safest and quickest.

All students, when exiting the building, are required to report to the assembly area for a building evacuation.

**Evacuation Assembly Area: North Alley**

#### **Weather**

In the event of severe weather, all building occupants should seek shelter in the lowest part of the building. If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.

Preferably room 108.

**Bad Weather Safe Area: Room 108**

**LU Security: 24/7 - (636) 949-4911.**
