

Warner Hall

Building Coordinator: Don Rothermich (636) 949-4937

Building Background:

- Three floors
- Fire extinguisher locations:
 - Kitchen, second floor southwest stairwell and basement

Building Evacuation Route: In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- First floor: exit northeast exit
- Sunroom: north/south exit
- Second floor living room: exit down center staircase
- Annex: north side of building
- Basement: north exit or stairs to first floor

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- Across the street at McCluer Hall

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building. If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
