

Welcome Center

Building Emergency Coordinator (BEC): Nicole Sullivan (636) 627-2563

Building Background

- Two Floors
- Elevator
- Fire Extinguisher locations: 1st floor elevator, basement elevator, and storeroom basement
- Fire alarm locations: none

Building Evacuation Route

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area

- 1st floor exit: east, north exit steps
- Basement: north steps to 1st floor or south exit

All students, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area: Rear Parking Lot

Weather

In the event of severe weather, all building occupants should seek shelter in the lowest part of the building. If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.

Bad Weather Safe Area: The Vault

LU Security: 24/7 - (636) 949-4911.
