

LINDENWOOD

Dear Lindenwood University Student:

We are pleased to enclose your Student Aid Award for the 2009-2010 academic year. This award is based on financial information you and your family have submitted to our office, and is contingent upon the accuracy of that information.

If your student aid award includes Stafford Loan(s), as a convenience, we have awarded and will process the maximum annual amount of your loan eligibility. For most students, this level of funding is needed to cover tuition, room, board and other education related expenses. If your financial aid exceeds your charges and you wish to use these funds for educationally related expenses, a written refund request must be submitted to the business office at studentrefunds@lindenwood.edu and no refunds will be issued until your account has a credit balance

There are, however, students who do not require these maximum amounts or prefer to limit their student loan debt to the minimum necessary. Since there are fees and interest associated with these loans that differ based on loan type, you may want to use some, but not all of these funds. Please review this student aid award very closely. If you determine the level of loan funding should be reduced or the unsubsidized portion (which accrues interest while enrolled) eliminated, please notify our office in writing. You can use the lower portion of this letter to indicate your change request. If no change is needed, please sign and date student copy #1 of the Student Aid Award and return it to our office.

We appreciate the opportunity to assist you in financing your higher education. Feel free to contact the Financial Aid Office at 636-949-4923 with questions pertaining to your financial aid needs and the Business Office at 636-949-4650 with questions pertaining to your student account.

Sincerely,
Financial Aid Office
Lindenwood University
