

Criminal Justice Administration

Program Description:

The Master of Science degree program in Criminal Justice Administration is designed for practicing professionals in the fields of law enforcement and criminal justice administration. The degree is designed for both younger professionals who intend to pursue a career in the field and for seasoned professionals who wish to expand their knowledge and skills in criminal justice administration.

The program consists of four required clusters, an elective cluster and a three semester hour capstone course for a total of 48 credit hours.

Students must complete the following four core clusters:

Graduate Management Cluster

IBA 54000 Management and Administrative Theory
IBA 54100 Organizational Behavior
IBA 54300 Personnel Management and Labor Relations

Graduate Homeland Security Cluster

ICJ 52000 Terrorism and Counter Terrorism
ICJ 52100 Homeland Security
ICJ 52200 Homeland Security and American Policing

Graduate Constitutional Law Cluster

ICJ 51000 Constitutional Law
ICJ 51100 Rules of Evidence
ICJ 51200 Courtroom Testimony and Procedure

Graduate Administration of Justice Cluster

ICJ 50200 Critical Issues in Police Civil Liability
ICJ 52500 Administration of Justice
ICJ 52600 Police in Society

Graduate Elective Cluster

Complete one cluster from any graduate discipline and ICJ 601 (3)
