

CARES Emergency Grant Assistance

As a part of the CARES Act legislation that was passed in response to the COVID-19 pandemic, Lindenwood University has funds that can be awarded to students to assist with expenses. To qualify for funding, students must be currently enrolled at Lindenwood or previously enrolled during a time period that was affected by a COVID-19 disruption. That period currently encompasses the spring 2020 or summer 2020 terms.

To assist the students of Lindenwood University, we have created an appeal process in which students can request assistance for one of the following reasons:

- Tuition and Course Fees
- Housing Expenses
- Food Expenses
- Childcare Expenses
- Course Materials
- Technology Expenses (Internet access, cell phone costs, etc...)
- Health Care

To submit an appeal, please complete the [request form](#), along with a statement of your loss of income or support and how much assistance you need for one or more of the reasons listed above. [All documentation can be submitted securely online here](#). Turnaround time for a decision is at least 5 business days.
