How To Register

Quarter Students

New Students—Contact Office of Evening and Graduate Admissions—main campus, (636) 949-4933, or the extended campus of your choice (see directory on page i).

Continuing School of Accelerated Degree Programs students should contact their faculty advisors prior to registration.

Students may register any time after their designated registration period.

Once students enroll in the School of Accelerated Degree Programs through the admissions department, a faculty advisor is assigned. Students are required to meet in person with their advisors for enrollment in their second cluster in the program, as well as for enrollment in their final cluster in the program, which serves as their exit interview.

During the remainder of their time in the program, students have the option to either (1) meet in person with their advisors for enrollment, or (2) contact their advisors by email or by telephone for enrollment. This

contact must occur each quarter during the student’s appropriate registration week according to academic rank. During this advisor contact time, the advisor discusses degree and enrollment options and opens the student’s portal for online registration. Students will then register themselves for classes through the student portal.

Once the initial enrollment is completed, the faculty advisor closes the student portal. If a student decides after the initial enrollment to make a schedule change or withdraw from classes, the student must contact the advisor again, who will open the student’s portal for the enrollment change. It is the responsibility of the student to schedule this contact time with the advisor and to complete the enrollment process each quarter.

Office Hours

Students may register during regular office hours (8 a.m. to 6 p.m. on Monday through Thursday, 8 a.m. to 5 p.m. on Friday).

Payment Options

Tuition and fees are payable prior to the first day of class. If other payment arrangements are needed, students should contact an account representative in the Business Office. Payment options include

Corporate Promissory Note: The Corporate Promissory Note is available to students who work for companies that have tuition reimbursement plans. Proof of employment and a copy of the company's reimbursement policy must be on file in the Business Office. The amount of the promissory note cannot exceed the amount the employer pays for tuition for each term. The due date for all promissory notes is 30 days following the conclusion of the term for which the note applies. A monthly late charge will be assessed after this date. By signing a promissory note, the student gives Lindenwood University permission to contact the employer if the note is not paid by the date due.

Direct Debit Payment Note (DDP)—Lindenwood University is pleased to offer Direct Debit Payments for the convenience of students. Payments can be made directly (electronically) from a student's checking account. There is no set-up fee or interest charged for this method of payment. Any payment or financial aid received prior to the promissory note due date will be applied to the balance appearing on the student's account.

Older Student and Institutional Grants—Lindenwood

University offers a 50-percent scholarship to all persons age 60 and over. The University also offers partial institutional grants for employees of selected companies, municipalities, and school systems. These grants apply to the tuition for credit classes and do not apply to University fees or courses that are audited. Any other funding may first replace the Lindenwood University grant. It is the responsibility of the student to inform the admissions counselor of any scholarship opportunities for which the student may be eligible.

If payment arrangements have not been made, monthly late fees may be assessed.

Schedule Changes & Withdrawal Procedures

Any change in a student's schedule of classes, including adding a class, changing sections, or withdrawing from a class or classes must

1. be made on the appropriate form available from the Lindenwood registrar's office, local Lindenwood campus, or site;
2. give the supporting reason for the change or withdrawal;
3. be approved and signed by the student's faculty advisor;
4. be returned to the Registrar's Office before the deadlines specified in the academic calendars.

Students may add classes only during the first week of any term and only on a space-available basis. When adding a course, it will be necessary to obtain the instructor's and advisor's signatures. To withdraw from a course with a W, the student must obtain the advisor's signature. After obtaining the necessary signatures, withdrawal forms must be submitted to the Registrar's Office. No withdrawals will be accepted after the specified "W" date. Exceptions to this policy for reasons beyond the student's control may be made by the Provost after the appropriate signatures have been obtained. Students who withdraw without proper authorization receive a final grade of "F" or "AF," which is treated as a grade of "F." Consult the "Withdrawal and Refund Policy" section for refund schedule.

Students wishing to receive financial aid must notify the Financial Aid Office of their enrollment intentions every academic year. The Financial Aid Office must also be notified of any changes that may affect this plan (i.e., enrollment change, tuition reimbursement, etc.) Students wishing to utilize Title IV Aid are required to be enrolled in at least six credit hours per term.

Graduation Applications

Official dates of graduation are March 30, June 30, August 30, September 30, and December 30. If a student expects to complete degree requirements by the end of this term, he/she must complete an application for graduation by the deadline listed in the

schedule and/or catalog. Applications are available in the Registrar's Office.

Applications received after the deadline may be held until the following graduation date.

Campus Resources

The Library and Academic Resources Center contains volumes and microfiche. The library also subscribes to regional and national networks that facilitate sharing of materials from virtually all types of libraries. The library is open Monday through Thursday from 8 a.m. to 12 a.m., Friday from 8 a.m. to 5 p.m., Saturday from 9 a.m. to 4 p.m., and Sunday from 2 p.m. to 12 a.m.

The computer labs in the Spellmann Campus Center contain Macintosh and PC compatible computers for student use. Hours for laboratory use will be posted by the first day of classes.

The Computer Lab in the Cultural Center is equipped with PC-compatible computers for student use. Hours for the lab are posted on the lab door.

The Student Development Office oversees all student clubs and organizations and coordinates housing and residential life for on-campus residents. Inquiries about housing should be directed to the Student Development Office at 949-4985.

The University Chaplain chairs the campus-wide Religious Life Council, which promotes diverse campus religious expression and fellowship.

The Coordinator for Campus Accessibility Services acts to ensure programs and facilities are accessible and assists and supports students with disabilities. It is the responsibility of the student to advise the coordinator when assistance is needed. The coordinator can be reached at 949-4510.

Financial aid is available to eligible students. Inquiries should be directed to the Office of Financial Aid at 949-4923.

The Lindenwood University Bookstore: Barnes & Noble sells textbooks, supplies, Lindenwood apparel, and gifts. It is open Monday through Thursday, 9 a.m. to 6 p.m., Friday from 9 a.m. to 5 p.m., and Saturday from 9 a.m. to 3 p.m. The phone number is 636-949-4743.

Lindenwood University-Belleville's library and computer lab are open from 8 a.m. to 12 a.m. on Monday through Thursday, 8 a.m. to 5 p.m. on Friday and Saturday, and 12 to 6 p.m. on Sunday.

Withdrawal and Refund

Students wishing to withdraw from Lindenwood University should contact both the Registrar's Office and the Office of Financial Aid. In order to receive the proper refund, any notification of withdrawal or cancellation and requests for refund should be made in writing. To begin the withdrawal process, students should submit a completed withdrawal form to the Registrar's Office, located in the lower level of Roemer Hall. The office hours are Monday-Thursday, 8 a.m. until 6 p.m., Friday 8 a.m. until 5 p.m. and Saturday 8 a.m. until 4 p.m.

Calculations of the return of Title IV aid or tuition

adjustments shall be based on the date the student begins the withdrawal process, provides official notification of the intent to withdraw, or the midpoint of the payment period for which Title IV aid was disbursed.

Students who receive Title IV aid while attending Lindenwood University and withdraw during the first 60 percent of the term will be disbursed Title IV aid in direct proportion to the length of time they remain enrolled. A student who remains enrolled beyond the 60 percent point of the term will not be entitled to a return of Title IV aid.

All students are subject to the Lindenwood University refund calculation as described below. If any student withdraws prior to the beginning of a term, all payments for that term, except the initial \$300 non-refundable room reservation deposit, will be refunded.

The Quarter tuition refund schedule is as follows:

Withdrawal before 1st class meets	100%
Withdrawal before 2nd class meets	75%
Withdrawal before 3rd class meets	50%
Withdrawal before 4th class meets	25%
After 4th class meets	No Refund

Please Note: Quarter students must contact their faculty advisors immediately when withdrawing from a cluster.

No refund for room charges will be made for a term after the student signs either a new student housing application or a returning student housing application.

Class Schedule Notes

The following class schedules list courses by department, course number, section, course title, credit hours, days, time, room, instructors, and lab fees, plus prerequisites, lab days and times. "R" denotes a Thursday class. All credits are in semester hours.

Explanation of Designations

Course Designations

GE—Course fulfills general education requirement for students entering under all catalogs since 1987.

Note: Lindenwood University is not liable for typographical errors in the schedule. All students should contact their faculty advisors for the most current information.

Attention Graduate Students:

It is important that all graduate students understand the steps by which to withdraw from a class. Students may drop classes up to the 2/3 point of a term. The current catalog may be used to determine the specific dates.

If a student believes that he/she has experienced extraordinary circumstances that require him/her to drop a class after the stated deadline, the following steps must be completed:

- 1) Write a letter fully specifying the reasons for the drop.
- 2) Gather supporting documentation (physical report, court documents, etc.).
- 3) Meet with the academic advisor for a signature on a policy exemption form.
- 4) Meet with the dean of the school for a signature on the exemption form.
- 5) Submit the signed form to the Vice President for Academic Affairs.

If approved, the student will receive either a Withdraw Pass (WP) or a Withdraw Fail (WF), depending upon the grade at the time the student withdrew.

If the student determines, after the term has ended, that a withdrawal from a class would have been the best option, he/she may request that the grade assigned be changed to a WP/WF by using the procedure defined above.

It is also important to recognize that if a student retakes a course (rather than withdraws) at the graduate level, the second grade does NOT replace the first grade; rather, the two grades are averaged. For instance, if a student earns an "F" for a class and then retakes the class, earning an "A", the two grades as a set will now be the equivalent of two "Cs" and will affect the overall grade-point average as two "Cs" would.

Only extraordinary, documented reasons for withdrawing after the stated deadline will be honored. Requesting a late drop due to a low grade in the class, lack of interest in the subject matter, a different learning style from that of the classroom professor, or a change of major/requirements are not reasons that will be honored.
