Dear Lindenwood St. Charles Student,

We are reaching out to inform our students that Lindenwood University’s administration will announce plans this morning regarding the traditional daytime undergraduate programs at the Belleville campus. While this decision has no direct impact on you as a student at the St. Charles campus, we wanted you to know the facts of the decision and what it means for the Lindenwood community.

After careful consideration and exploration of several possible courses of action, the Board of Trustees approved a plan to consolidate all traditional undergraduate programs to the St. Charles campus, effective after the conclusion of the 2019-20 academic year. After that time, traditional undergraduate programs will be offered only on the St. Charles campus. The Belleville campus will continue to offer graduate and evening programs.

Please know that this decision was not arrived at lightly. University leadership reached this decision after several months of exploring options for the Belleville campus in light of financial and enrollment challenges. Throughout this process, our students, faculty, and staff remain our top priority, along with our ability to fulfill the Lindenwood University mission of providing a high-quality educational experience for all students. We believe this decision will allow all Lindenwood students to have the best on-campus experience and access to our full range of academic programs.

Belleville’s daytime undergraduate students will have the option of continuing their education at the St. Charles campus for the upcoming 2019-20 academic year, or the subsequent 2020-21 academic year. This fall, we will also begin several initiatives to introduce Belleville students to the St. Charles campus, so we ask for your assistance in welcoming them over the course of the next two years.

If you would like more information, please visit www.lindenwood.edu/consolidation, where you will find a press release, frequently asked questions, and other information. In addition, we have established a dedicated student hotline number, 1-833-416-3113, and email, BVquestions@lindenwood.edu, for your convenience.

Please enjoy your summer; we look forward to seeing you back on campus in the fall.

Sincerely,

J. Michael Conoyer, M.D. Art Johnson
Chairman, Lindenwood University Board of Trustees Interim President
