Dear Student,

You stated on your FAFSA application that you **are** or **were** an emancipated minor (released from control of your parent or guardian). With this being said, we will need additional documentation to verify this information.

1. Please provide a copy of the court's decision that as of today you **are** an emancipated minor (if you are still considered a minor in your state).
2. Please provide a copy of the court's decision that you **were** an emancipated minor upon reaching the age of majority in your state.

Please keep in mind, the court must be located in your state of legal residence at the time the court's decision was issued.

Thank you,
