Dear Student,

Re: Homeless Child or Youth

You answered "YES" to question #55 on your FAFSA application. It states, "At any time on or after July 1, 2019, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?"

If so, please provide a signed/dated letter, on letterhead with contact information, from your high school explaining your situation. In addition, we will need a signed/dated letter from you, and a signed/dated letter from a friend or family member explaining your situation **in detail**.

However, if you feel you have answered this question in error, please go back online and correct your answer and add your parent(s) information to your FAFSA and their signature.

Please submit copies of all requested documentation (if applicable) to our office as soon as possible.

Thank you,
