

## Question 1

### Human Subjects Research

Please choose one learner group below based on your research subjects activities you will conduct. You will be enrolled in one group.

- Biomedical Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Biomedical research with human subjects.
- Social & Behavioral Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Social and Behavioral research with human subjects.
- IRB Members: This Basic Course is for IRB members.
- Not at this time.

**Researchers conducting protocols involving Biomedical interventions or collecting biospecimens should complete this track.**

**Researchers conducting protocols involving Behavioral or Educational Research (e.g. surveys, focus groups, or research in K-12 or Higher Education environment) should complete this track.**

## Question 2

### Good Clinical Practice (GCP)

Please make the appropriate selection for the Good Clinical Practice (GCP) course.

- GCP for Clinical Trials with Investigational Drugs and Medical Devices (U.S. FDA Focus)
- GCP for Clinical Investigations of Devices
- GCP for Clinical Trials with Investigational Drugs and Biologics (ICH Focus)
- GCP - Social and Behavioral Research Best Practices for Clinical Research
- Not at this time.

---

### Question 3

#### Responsible Conduct of Research

Please make your selection below to receive the course of Research.

- Biomedical Responsible Conduct of Research
- Responsible Conduct of Research for Engineers
- Humanities Responsible Conduct of Research
- Physical Science Responsible Conduct of Research
- Social and Behavioral Responsible Conduct of Research
- Not at this time.

**Researchers conducting traditional research or scholarship in the humanities could complete this track.**

---

### Question 4

#### Conflicts of Interest (COI)

Would you like to take the Conflicts of Interest course?

- Yes
- No

---

### Question 5

#### Public Health Research

Please make your selection below if you wish to be enrolled in the Public Health Research course.

- Public Health Research
- Not at this time.

**Researchers conducting protocols involving Public Health data could complete this track.**
