**Table 1 – Athletics Participation**

This table lists the number of participants by gender for each varsity team. According to the federal regulations governing EADA reporting, a participant is defined as a student-athlete who, as of the day of a varsity team's first scheduled contest:

- a) Is listed by the institution on the varsity team's roster; or
- b) Receives athletically related student aid; or
- c) Practices with the varsity team and receives coaching from one or more varsity coaches.

Any student-athlete who satisfies one or more of these criteria as a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student withheld.
