

### Graduation Rates and Average Years to Degree Completion (St. Charles & Belleville)

These figures cover graduation outcomes as of January 2018 for Cohorts of new Business students in the Accelerated Degree Program in the academic years listed in the second column. Degree completions are broken out by whether or not their degree completion was in their original business major or in another major. The last column provides the average years to degree completion for degree earners in each cohort.

Degree Level	Cohort Year	New Students (First-Time and Transfer) in Cohort	Count of Degree in Original Major	% of Students with Degree in Original Major as of January 2018	Count of Degree in Other Major	% of Students with Degree in Other Major as of January 2018	Total Degrees as of January 2018	% of Students Graduated as of January 2018	Average Years to Degree Completion
UG	2012 - 2013	420	177	42%	29	7%	206	49%	3.1
	2013 - 2014	409	185	45%	16	4%	201	49%	2.9
	2014-2015	440	166	38%	19	4%	185	42%	2.5
G	2013-2014	303	215	71%	30	10%	245	81%	1.6
	2014-2015	317	230	73%	30	9%	260	82%	1.5
