

Butler Hall

Building Coordinator: N/A – unoccupied

Building Background:

- Four floors
- Fire extinguisher locations:
 - First floor outside rooms 103, 111
 - Second floor outside room 207, 219
 - Third floor outside room 307, 319
 - Basement at west fire door in Loft
- Fire alarm locations:
 - First, second, and third floor at top of stairwell

Building Evacuation Route:

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- First floor: use the front entry door, south door by laundry room, OR basement exit door through the Loft
- Second floor: use stairs and exit through the front entry door, fire escape on north OR south side of building.
- Third floor: use stairs and exit through the front entry door, fire escape on north OR south side of building
- Basement: use stairs and exit through the front entry door OR exit door through the loft

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- Pavilion Area

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building. If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.

LU Security: 24/7 – (636) 949-4911
