CONSORTIAL ARRANGEMENTS

AS REPORTED TO THE HIGHER LEARNING COMMISSION, MARCH 2019

Definition: An arrangement in which an HLC-accredited institution develops an agreement with an institution or group of institutions—that is, the consortial party(ies)—through which the consortial party(ies) agree to provide some portion of one or more educational programs (i.e., degrees or certificates offered for academic credit) offered by the HLC-accredited institution.

Consortium Name	Program	Associated Institutions	State/Country	Start Date	Head Count
Industrial Technology	13.1309, Bachelor, Bachelor - 13.1309 Technology Teacher Education/Industrial Arts Teacher Education (Industrial Technology and Engineering 9-12 certification))	St. Louis Community College	MO, US	01/01/2013	1-99
