Registration

The Academic Services and Financial Aid & Business Offices are open from 8 a.m. to 6 p.m. Monday through Thursday and 8 a.m. to 5 p.m. Friday. The Admissions Office is open 8:00 a.m. to 6:00 p.m. Monday through Thursday, 8:00 a.m. to 5:00 p.m. Friday, and 9:00 a.m. to 12:00 p.m. on Saturday.

Admission Procedures

Any new student who wishes to register for courses to be credited toward a degree should follow the steps outlined under “Degree Candidates” below. If he/she does not wish to accumulate credit toward a degree, he/she may register through the admissions office as a “Special Student.”

Degree Candidates

1. Request an application form. If further information is needed before applying, call the Office of Admissions at (618) 239-6242.
2. Complete and sign the admission application.
3. Request official transcripts from the high school and each college attended. (High school transcripts are not required for transfer students who have successfully completed a two-year program that is acceptable for full credit toward a bachelor’s degree or for students applying for graduate programs.) Transcript request forms for this purpose may be obtained from the Admissions Office.
4. Submit a copy of ACT/SAT scores if it has been fewer than five years since graduation from high school or if there are fewer than 24 hours of transfer credit.

These documents will be reviewed for the admission decision. Students will be notified in writing at the completion of the admission process.

Payment Options

All tuition and fees are payable prior to the term beginning. Student account representatives in the Business Office should be contacted regarding due dates or other payments arrangements. Payment options include each of the following:

Corporate Promissory Note — The Corporate Promissory Note is available to students who work for companies that have tuition reimbursement plans. Proof of employment and a copy of the company’s reimbursement policy must be on file in the Business Office. The amount of the promissory note cannot exceed the amount the employer pays for tuition for each term. The due date for all promissory notes is 30 days following the conclusion of the term for which the note applies. A monthly late charge will be assessed after this date. By signing a promissory note, Lindenwood University has been given permission to contact the employer if the note is not paid by the date due.

Direct Debit Payment Note (DDP) — Lindenwood University is pleased to offer Direct Debit Payments for the convenience of students on their payment plans. Payments can be made directly (electronically) from a checking account. There is no set-up fee or interest charged for this method of payment. Any payment or financial aid received prior to the promissory note due date will be applied to the balance appearing on the student’s account.

Older Student & Institutional Grants — Lindenwood offers a 50 percent scholarship to all persons age 60 and over. The University also offers partial institutional grants for employees of selected companies, municipalities, and school systems. These grants apply to the tuition-for credit classes. Any other funding may first replace the Lindenwood University grant.

Enrollment Deposit

Resident students are expected to pay a \$200 nonrefundable fee to reserve their rooms. After the charges for the year have been paid, this fee becomes a refundable room damage deposit.

An additional charge will be added for all single rooms in the dormitories and/or apartment/house living quarters (on a space-availability basis).

When students have been accepted for admission, students, parents and/or guardians accept all conditions of payment as well as all regulations of the University. In making the payment of \$200, the student and his or her parent or guardian acknowledge these terms and signify acceptance of these obligations. No promise or contract that differs from these terms shall bind the University unless it has been signed by the chief operating officer of Lindenwood University. The University reserves the right to increase or reduce fees each year according to changes in fiscal conditions.

Withdrawal and Refund

Any student wishing to withdraw from Lindenwood University should submit a completed withdrawal form (the signature of the student's advisor) to the Academic Services Office, located in the West Wing of Old Main Hall, between the hours of 8 a.m. - 6 p.m. Monday through Thursday, and 8 a.m. - 5 p.m. Fridays.

Notes: (1) Calculations of the return of Title IV aid for withdrawals occurring during the first two weeks of a term will be based on the last date of attendance for the term in which the student withdraws. Students who initiate a withdrawal from the University after the first two weeks of the term will be eligible for a refund of Title IV aid based on the date that the withdrawal form was submitted to Academic Services. A student who remains enrolled beyond the 60% point of the term will not be entitled to a return of Title IV aid.

(2) Any student who earns the grade of AF in all coursework within a term will be considered unofficially withdrawn for that and will be subject to a Title IV refund calculation. Based on this calculation a portion of Title IV aid may be unearned and required to be returned to the appropriate agency.

(3) No refund for residential charges will be made for a term after the student signs either a New Student Housing Application or a Returning Student Housing Application and the term has started. Application, activity, lab, miscellaneous fees, and room reservation deposits are nonrefundable, except as indicated under the Housing Deposit section of this catalog.

All students are subject to the Lindenwood University refund calculation as described below. If any student withdraws prior to the beginning of a term, all payments for that term, except the initial \$300 non-refundable room reservation deposit, will be refunded.

The refund policy for tuition, including overload charges for semester and trimester schedules, is as follows:

Withdrawal during 1st two weeks 75%
Withdrawal during 3rd week of term 50%
Withdrawal during 4th week of term 25%

Withdrawal after 4th week of term No Refund
The Quarter tuition refund schedule is as follows:
Withdrawal before 1st class meets 100%
Withdrawal before 2nd class meets 75%
Withdrawal before 3rd class meets 50%
Withdrawal before 4th class meets 25%
After 4th class meets No Refund

No refund for room charges will be made for a term after the student signs either a New Student Housing Application or a Returning Student Housing Application. Application, activity, lab and miscellaneous fees and room reservation deposits are non-refundable, except as indicated under "Enrollment Deposit" and above.

Withdrawing from Courses

Students may withdraw from a class within the first week of class of each term without having to obtain the signature of the faculty member, and the class will be dropped as a "never attend." A student wishing to withdraw from all of his/her classes needs to obtain the signature of each instructor to indicate the last date of attendance in each class.

To withdraw from a course with a "W," a student must complete and sign a withdrawal form before the last day to withdraw with a "W," secure the signature of his/her academic advisor, and, return the form to Academic Services.

The deadline for "W" grades shall be a date for each term as set annually on the Academic Calendar at the two thirds mark of the term, semester, quarter, or five-term program. The grade will affect the student's grade point average. (Students should also refer to the Withdrawal and Refund section of the catalog.)

Late withdrawals will be approved only under extreme circumstances. Only extraordinary, documented reasons for withdrawing after the stated deadline will be honored. A low grade in the class, lack of interest in the subject matter, a different learning style from that of the classroom professor, or a change of major/requirements will not be honored as reasons for late withdrawal.

If a student believes that extraordinary circumstances require withdrawing from a class after the deadline, the student must complete the following steps:

1. Write a letter fully specifying the reasons for the withdrawal.
2. Gather supporting documentation (physical report, court documents, hospital documents, etc.).
3. Meet with the academic advisor for a signature on a policy exemption form.
4. Meet with the division chair of the division for a signature on the exemption form.
5. Submit the signed form to the Provost in Academic Affairs.

If approved, the student will receive "W" grade. If a student determines, after the term has ended, that a withdrawal from a class would have been the best option, he/she may request that the grade assigned be changed to a "W" by using the procedure described above.

Graduation Applications

Official dates of graduation are March 30, June 30, August 30, September 30, October 30, December 30, and the designated commencement day in May. If a student expects to complete degree requirements by the end of this term, he/she must complete an application for graduation by the designated date listed in the schedule and/or catalog. Applications are available in the Registrar's/Academic Services Office. Applications received after the stated deadline may be held until the following graduation date.

Transcripts

Transcripts may be ordered in the following ways:

- 1. Online** at the National Student Clearinghouse using a credit card. The base cost is \$5 per transcript. Online delivery options range from “send immediately” to “hold for final grades” and/or “degree conferral.”
- 2. In person** at the Business Office. Requests submitted in person are processed for pick-up immediately. You must submit a completed transcript request form and submit payment of \$5 by cash, check, or money order. Transcripts requested in person are only available for pick-up. Requests to have transcripts mailed are only available through the online service.

No transcript will be issued for any student who has an unsatisfied financial obligation to the university.

Official transcripts are sent directly to a college, employer, or other agency and bear the university seal. Student copies may be sent directly to the student and are identified as such. The fee for either type of transcript is the same.

In accordance with federal law (The Family Educational Rights and Privacy Act), student transcripts are issued only at the written request of a student. A transcript will not be released without the student's signature appearing on the request. Transcript requests are not accepted by telephone. A transcript is a picture of the student's complete record at Lindenwood University. Partial transcripts are not issued. Transcripts of work completed at other colleges must be obtained directly from those institutions.

Student Resources

Library Services

The Lindenwood University-Belleville library, located in the West Wing of Old Main Hall, is a member of the MOBIUS consortium. MOBIUS provides students access to over 14 million book titles throughout the state of Missouri. If an item is not available through MOBIUS, patrons may use the Lindenwood University-St. Charles Butler Library Inter-Library Loan service. The library's dedicated staff is available to help patrons navigate the wealth of traditional print and electronic resources that it offers. The library staff has developed a series of workshops, class presentations, and study guides to assist users. In addition, the Lindenwood University-Belleville librarians are available during all

library hours to assist patrons with their research needs. Reference librarians may be contacted by calling (618) 239-6072 or emailing BellevilleLibrary@lindenwood.edu.

On-Campus Printing

Students are entitled to print an allotted number of pages from any on-campus computer at no cost per term. Resident students may print up to 500 pages per term; commuter students may print up to 300 pages per term. Once the total number of allotted pages has been reached, students may opt to purchase additional printing capabilities through the student portal at a rate of \$3.00 per hundred pages.

The Academic Success Center

The mission of the Academic Success Center (ASC) is to help students achieve their educational goals while supporting their development toward being efficient, independent learners with a commitment to academic excellence. Located in the lower level of the Alan J. Dixon Center, the ASC offers a range of support for students seeking academic assistance of any nature. In the ASC, students can access a wide array of services, including personalized study skills mentoring, one-on-one peer tutoring, and a quiet and comfortable study space. Students may contact ASC staff by calling (618) 239-6077, emailing BellevilleAcademicSuccess@lindenwood.edu, or stopping by the center.

The writing lab within the ASC has computers where students are encouraged to meet with a writing consultant while they work on an essay or paper. Writing tutors are prepared to help students with all stages of the writing process. The goal at the ASC is to help students become confident and effective writers. Common areas the tutors can address include starting the assignment, essay organization, sentence clarity, paragraph transitions, grammar, and word usage. There are a number of resources for students to use in the center or to take with them.

Peer tutoring is available in other subjects, including biology and math, depending on current needs. Each semester the tutoring schedule is posted and updates are sent to students through their lionmail accounts. In-person tutoring is available on a walk-in or appointment basis. Online tutoring is also offered 24 hours a day, seven days a week to all Lindenwood students through their student portals from the educational resource Smarthinking.

The ASC Mentoring Program provides a holistic approach to academic student development through a network of comprehensive resources and services. Student participants of the mentoring program receive supportive services that help them transition into academically successful students; these sessions include academic workshops, skill-building sessions, and semester-long tracking of student progress. The highest priority of the ASC is meeting the educational needs of the Lindenwood University-Belleville students. The team includes three full-time staff members, graduate assistants, and students within the Work and Learn program. The Director of Academic Student Success and Retention oversees the ASC and its related programs and can be

reached at (618) 239-6223.

The Student Counseling and Resource Center

Combining academic, personal, and career counseling, the Student Counseling and Resource Center (SCRC) offers a holistic approach to counseling students in a host of interrelated fields. The SCRC provides free, confidential individual and group counseling services as well as exploration of personality type for career choice. Counseling is provided by graduate students in their final term of the Professional Counseling Program. Students may contact the SCRC office at (618) 239-6161 to make an appointment.

Student Healthcare Services

While Lindenwood University-Belleveille does not offer healthcare services, students may access two regional hospitals conveniently located just a short distance from campus when in need. For a list of services provided and insurance accepted, please visit the website of St. Elizabeth's Hospital at www.steliz.org or the website of Memorial Hospital at www.memhosp.com.

Campus Accessibility for Students with Disabilities

The guiding philosophy of Lindenwood University is to make programs and facilities as accessible as possible to students with disabilities. The coordinator for campus accessibility services acts to ensure the accessibility of programs and assists and supports students with disabilities. Students who need assistance or accommodations regarding certified disabilities should contact the Student Support and Accessibility Coordinator at (618) 239-6095. Each student is encouraged to serve as her or his own advocate and to be responsible for obtaining special services offered by the University. If the coordinator is unable to satisfy a reasonable request, that request may then be directed to the office of the Provost.

Lionmail

Lionmail is the University's internal email system. Important messages including information about academic standing and financial aid are sent via Lionmail. Students will be held accountable for any information or due dates sent via the campus email system. Lionmail accounts are available for all students and may be accessed from the Lindenwood homepage.
