

Adjusted Online Finals Schedule

All final exams, projects, and assessments will be completed virtually for the Fall 2020 terms. Instructors may opt to make final exams due either at the end of exam week (December 11) or at 11:59 p.m. on the day listed below. This schedule is intended to distribute final exam due dates to alleviate student stress from having too many assignments due at once, while also allowing instructors sufficient time to review student work.
