

LINDENWOOD

Graduate Attribute Alignment & Assessment Committee

This committee will work with their college or department and meet monthly as a committee from February-Fall 2022 to complete the following:

1. Develop a system for mapping Graduate Attributes to courses and programs
2. Work with colleagues to map the Graduate Attributes to courses and programs
3. Serve as a representative for Graduate Attribute resources to colleagues
4. Offer insights to alignment when multiple and/or varying Graduate Attributes are applied to one course or program
5. Serve as a liaison in the college or department to deliver feedback to the committee
