Building Evacuation Route:

In the event of a Bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- Nearest available exit to the building

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- Grass area by West Clay near the rear of the building

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (S-3 basement under the stage). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
