

Welcome to LindenCircle®

LindenCircle gives you a convenient way to keep track of your students – raising flags when you observe a pattern of behavior that concerns you, ensuring that the people on campus who can intervene are aware. It also allows your students to easily book an appointment with you or someone else who can help.

Getting started is easy. Accessible through Canvas or the Lindenwood University website, LindenCircle will automatically display all students that you have been assigned or are enrolled in your courses.

[Access LindenCircle here](#) or through the systems mentioned above and log on using your Lindenwood University username and password.

Setup your first Office Hours block

The first time you log in to LindenCircle, the system will provide a ‘wizard’ to walk you through setting up your office hours, which enables students to schedule time with you. If you do not wish to complete the wizard just yet, check the box labeled “**Show me this Office Hours Setup Page again next time I login if I don’t have any Office Hours**”, and then click the **Close** button.

If your office hours are different week to week, follow the “**If your office hours don’t repeat weekly, click here**” link.

If your office hours recur:

1. Complete the fields presented to specify:
 - **What day(s) do you have office hours?** - check the boxes for each day.
 - **What time are your office hours?** - enter a start and end time.
 - **Where are they?** - select the **Type** of setting and enter the **Details** in the field provided (e.g. the building and room number of your office). If relevant, provide **Instructions** for students who make appointments with you.
2. Click the **Set up Office Hours** button to save your office hours.

Notes:

To setup additional office hours or make any changes, use the buttons on your **Home** or **Appointments** page to **Add Office Hours**, **Add Appointment**, **Add Group Session**, **Event**, **Reserve Time** or use the **Scheduling Wizard**.

Each of these options is discussed in greater detail in the [End Users’ Guide to Connect](#). You may also find the [Update your Office Hours](#) video helpful.

Respond to a Progress Survey for students in your courses

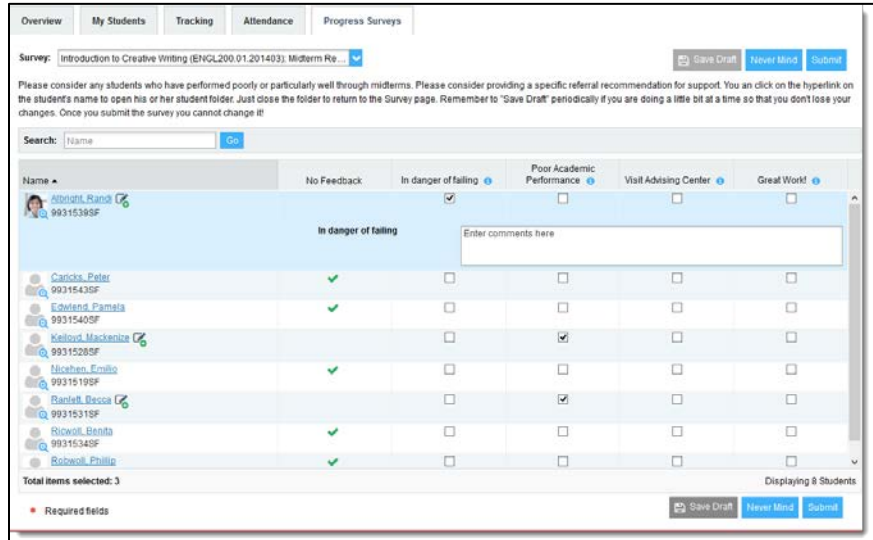

You will receive an email reminder when there is a new survey for you to complete. Each individual survey presents a student roster for one course section on whom you can raise flags.

1. Select the progress survey link on your LindenCircle **Home** page to go the **Progress Surveys** tab. (only visible when you have active surveys).

The selected survey opens, listing your students on the left, and items you may raise across the top.

2. Check the box for each desired item/student combination.

Click the comments icon (📝) to open a text box for your notes.

Click the information icon (ℹ️) associated with an item to verify whether the student can view the flag and related comments.

3. Click the **Submit** button **only** when you are finished providing feedback. The items you selected will be raised on your students when you submit the survey.

Important

Once you have submitted the survey you will not have an opportunity to add to or undo the items you raised. Use the **Save Draft** option if you are not ready to submit your survey.

Notes:

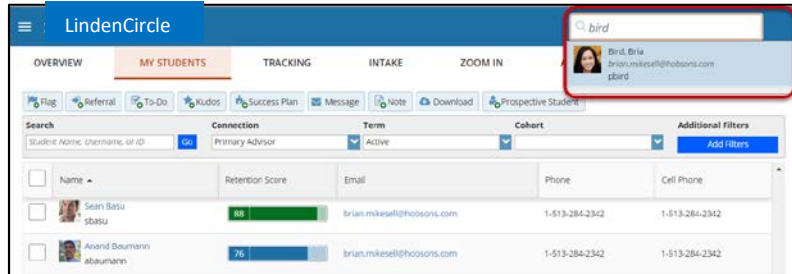

You may be asked to submit more than one course survey if more than one of your courses has been included in the survey plan for your institution. They will be listed in the drop-down menu on the **Progress Surveys** tab.
