Building Background

- Four Floors
-
- Fire extinguisher locations: 3nd floor outside Room 300. 2nd floor outside Room 203, 206. 1st floor outside Room 15, 100,111, and 2 behind Stage at exit doors.
- Fire alarm locations: East and West side front doors, two behind stage, in Sound room, 3rd floor top of stairs at both ends of hallway, and lower level at each exit door.

Building Evacuation Route

In the event of a Bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- Third floor, use stairs and exit by front entry door or side exit doors.
- Second floor, use the front entry door or West exit door.
- Auditorium, use front door or two emergency exits behind the stage.
- First floor, use stairs and exit the front entry door or side exit doors.

All students, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area: Parking lot across street from south entrance.

Weather

In the event of severe weather, all building occupants should seek shelter in the lowest part of the building. If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.

Bad Weather Safe Area: Lowest level at Room 1-5 or at Room 100-105.

LU Security: 24/7 - (636) 949-4911.
