Building Coordinator: Kathi Vosevich (636) 949-4564

Building Background:

- Three Floors
- Fire extinguisher locations:
 - Second floor south stairwell door
 - Inside and outside the lower level
 - South lower-level door
- Fire alarm locations:
 - North stairwells
 - North entry door

Building Evacuation Route:

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area:

- Rooms 105-114: use the north stairs to north or south exit
- Rooms 115-126: should exit from the south door
- Rooms 205-216: use the main north entry
- Rooms 217-226: use the south stairs or north entry
- Rooms 301-314: use the north stairs

All occupants, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- Grassy area in front of Irwin Hall

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (First Floor Hallway). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.
