

## Sibley Hall

Building Coordinator: Residential Community Coordinator

Building Background:

- Four floors
- Fire extinguisher locations:
  - First floor center staircase
  - Second floor south staircase
  - Outside room 222
  - 313, 322
- Fire alarm locations:
  - North and south entrances to Sibley Chapel
  - Second and third floor center staircase
  - Second and third floor west fire escape
  - Rooms: 229 and 333
  - South and west lower-level basement exits

Building Evacuation Route:

In the event of a bomb threat or fire in the building, all occupants need to immediately leave the building using the closest exit. Once outside, proceed to the assembly area.

- Rooms 101-117: use the south , west or south exit
- Rooms 118-125: use east or west exit
- Rooms 202-216: use the south or center stairs or west fire escape
- Rooms 219-235: use the north or center stairs
- Rooms 301-321: use the south or center stairs, or west fire escape
- Rooms 320-337: use the north or center stairs

All students, when exiting the building, are required to report to the assembly area for a building evacuation.

Evacuation Assembly Area:

- Front of the building on the grassy area near Cobbs Hall

Bad Weather/Safe Area: In the event of severe weather, all building occupants should seek shelter in the lowest part of the building (First Floor Hallway Lower Level). If unable to get to the shelter area, seek a windowless room or hallway on the first floor of the building.

**LU Security: 24/7 – (636) 949-4911**
