MESSAGE FROM STUDENT LIFE & DIVERSITY

Dear Students:

I am excited that you have chosen to be a part of our Lindenwood University family. In addition to being challenged academically, you will also experience a wonderful student body, facilities, athletics, concerts, dance performances, fine arts programs, student organizations, and support services. We are committed to creating a connected, diverse community, sharing common attitudes, interests, and goals supporting personal and professional growth. I encourage you to take full advantage of all that Lindenwood has to offer inside and outside of the classroom. Students are also encouraged to take part in the Lindenwood Student Government, which plays an active role on campus and in facilitating campus events, because they work with approximately 90 student organizations. The university features over 40 athletic programs, providing a wealth of opportunities to participate in and/or attend athletic events. Whether you commute or live on campus, we look forward to you being an active part of our community.

This 2020-2021 Student Handbook was prepared to provide you with the values, expectations, and polices we hold as an institution. Should you ever have any questions regarding the policies and regulations or need clarification, please do not hesitate to contact me. Our goal is your success, because your success is our success.

Lindenwood is proud of the availability of its student email system, Office 365, as well as the Rave emergency text message program. Both forms of electronic media are offered to enhance and expand the college experience and empower students by providing university-related and/or emergency information. Please be aware that official university notices are frequently sent to your Office 365 account. Please check yours regularly, as all students are responsible for the information conveyed via Office 365 messages. If you need assistance procuring access to Office 365 or the Rave emergency text message program, please visit the Office of Student Life & Diversity, located on the third floor of the Evans Commons.

Sincerely,

Kelly Moyich, J.D.
Title IX Coordinator, Interim Dean of Students
STUDENT HANDBOOK UPDATES DUE TO COVID-19

Like nearly all institutions of higher education, Lindenwood University has been forced to make certain adjustments and changes to the 2020-21 school year because of the COVID-19 pandemic and will continue to do so as the pandemic evolves and more becomes known about the virus.

Included in the University’s changes are adjustments to some of the polices, processes, and procedures set forth in this Student Handbook. Please continue to visit the University’s COVID-19 webpages regularly for the most up-to-date information and adjustments, including COVID-19 health and safety related protocols and measures that take precedent and supersede portions of this handbook that may conflict with COVID-19 specific adjustments and changes.

As always, the University values and supports its students and appreciates your understanding as we all navigate these unprecedented times together.
The Student Handbook shall apply to all students currently enrolled in Lindenwood University, 209 S. Kingshighway, St. Charles, Missouri 63301, online, and any of its extension sites located in Missouri and Illinois.

**OFFICE 365**

Office 365 is available to all currently enrolled students, undergraduate and graduate, part-time and full-time. Therefore, official university correspondence will come via this communication medium. Students are responsible for being aware of and responding to all university emails sent to them. Failure to do so may result in missing important deadlines, opportunities, or other need-to-know information.

**PHOTO USAGE**

As a student at Lindenwood University, you may be photographed on campus or at campus events, and those photographs may be used on Lindenwood’s website and social media sites and in promotional materials for the university.

**RAVE EMERGENCY TEXT MESSAGE PROGRAM**

The emergency text message program is designed to disperse important alerts or emergency information, such as class cancellation due to weather conditions or negative activities affecting the campus. All students are automatically enrolled in the service with their Office 365 email addresses and mobile phone numbers if one is provided. Participation in the program is voluntary, and students can opt out, but the university strongly encourages everyone to participate to ensure all are apprised of pertinent information.

**WELCOME TO LINDENWOOD**

**A PROUD PAST AND A PROMISING FUTURE**

Lindenwood University was founded 193 years ago on the highest ground between two rivers amid a grove of beautiful linden trees. Today, it is the second oldest university west of the Mississippi River. Since 1827, when it was founded by pioneering educators Mary Easton Sibley and George Sibley, Lindenwood has enjoyed a reputation as an innovative force dedicated to liberal arts education.

Mary Sibley, along with her husband, George, himself a prominent pioneer and frontiersman who helped chart the Santa Fe Trail, sought to establish an institution that would reach across all fields of knowledge. They wanted their school to teach a solid academic core and a balanced sense of self-worth among its students a sense that accompanies a dedication to the larger community and nation. They also sought to create an institution that teaches the breadth of liberal arts along with the focused scope of the sciences and other academic fields of specialty, seeking to synthesize all knowledge in an effort to educate the student as a whole person.

Lindenwood has changed through the years, in keeping with its innovative, pioneering heritage. A number of new programs and delivery formats are offered at both the undergraduate and graduate levels to meet the ever-expanding horizons of the
Lindenwood student population—a population that now includes a wide range of working adults and professionals in addition to traditional university students.

This academic year, more than 10,000 full- and part-time students will attend classes at Lindenwood University. Approximately 2,500 of those students will live on the beautifully wooded residential university campus. Campus residence halls and classroom buildings are newly renovated and modernized. Eight new dormitories have been built within a 10-year period. The Library and Academic Resources Center is one of the more recent buildings to open.

The innovative, pioneering spirit of Mary and George Sibley certainly flourishes at Lindenwood today. More than 40,000 living alumni continue to distinguish themselves in virtually all fields and walks of life, reflecting not merely their excellent academic preparation but their development as balanced, whole persons. Lindenwood continues the tradition begun by the Sibleys by preparing liberally educated (not merely specialized or trained), responsible citizens.

Lindenwood seeks to balance formal learning in the classroom with a wide range of extra- and co-curricular experiences designed to provide education for lifelong learning: education that continues to prepare individuals for success as responsible citizens. Importantly, while offering this range of opportunities, Lindenwood encourages its students to reach their full academic potential, insisting that they be their very best.

**AN UNDERSTANDING OF COMMITMENT**

Lindenwood University is committed to the development of the whole person within a values system that acknowledges the university’s Judeo-Christian heritage and focuses on four-dimensional personal growth: mental, social, physical, and spiritual. Resident life helps students establish good learning skills; gain a broad range of knowledge and understanding about the arts, humanities, and sciences; obtain social and physical enjoyment through athletic and recreational activities and special events; grow in capacity for work, achievement, and leadership; and experience self-discovery and personal fulfillment that will serve a lifetime.

The university community seeks to foster peace and harmony by maintaining order and stability. Policies and rules help to establish order and serve the common good. The Lindenwood University community is a voluntary society that asks you, as its member, to possess a loyalty to the institution and personal commitment to growth, education, and the community.

Your activities affect both you and others. In choosing to be a part of this learning community, you agree to be responsible and act in such a way that reflects favorably on yourself and the community. You are expected to abide by established laws. You are expected to conduct yourself at all times in a manner that exemplifies respect and seeks the best interest of all members of the community.

Responsible members of the Lindenwood University community demonstrate respect for self, others, and their institution by
• Exhibiting personal qualities of honesty, fairness, integrity, and accountability;
• Developing interpersonal relationships that enhance the quality of life on campus by treating other persons with respect and dignity;
• Relating to others in a manner that assures their physical safety, emotional health, and psychological well-being;
• Abstaining from any form of intimidation and harassment that causes fear, threat, or discomfort on the part of others;
• Respecting the rights of students and staff by remaining reasonably quiet in the residence halls, classrooms, library, and laboratories;
• Respecting the physical property of the university and of other students;
• Striving to enhance the physical and mental health of all persons by not using, possessing, or providing others with alcohol, illegal drugs and chemicals, or other harmful substances;
• Respecting traditional Judeo-Christian values;
• Abiding by all policies of the university and fulfilling all contractual agreements with the university;
• Abiding by the laws of the city, county, state, and nation.

When your behavior or attitude does not conform to these standards, you will be counseled in a personal, patient, and just manner. Referrals may be made to a university official for personal inventory, self-evaluation, counseling, and advice. Correcting behavior and fostering personal growth are often times more desirable than punishment. However, disciplinary action will be taken when warranted. The university reserves the right in its discretion to issue sanctions, deny admission, or dismiss a student whose behavior and/or living habits are judged to be detrimental to the welfare of the community.

UNIVERSITY MISSION AND COMMITMENTS

REAL EXPERIENCE. REAL SUCCESS.
Enhancing lives through quality education and professional preparatory experiences.

VALUES

• Integrity - We are committed to ensuring trust and respect for all persons in an environment that cultivates individual and institutional integrity.
• Dedication - We are committed to developing a high-performance work ethic and dedication to discipline or vocation.
• Excellence - We are committed to providing quality and excellence in all our endeavors.
• Creativity - We are committed to the development of original ideas, knowledge, and innovative approaches to solving complex problems.
• Teamwork - We are committed to creating a connected, diverse community of team players who are humble, motivated, and smart; committed to working together to advance the university's mission.
ACADEMIC FREEDOM

The following statement on academic freedom was formulated by a joint task force of the faculty’s Educational Policies Committee and the Faculty Council and endorsed by the president and the academic administration in 2007:

Lindenwood University is committed to the idea that universities are centers of intellectual growth, exploration, creativity, and expression. It is incumbent upon the university, therefore, to create an atmosphere that is conducive to open, critical thinking. Central to that duty is the freedom to formulate and express ideas that advance the process of intellectual inquiry and education. Therefore, freedom of thought and word within the confines of higher education is central to effective education of the whole person.

Academic freedom also carries profound responsibilities. The university itself must take all precautions to protect the ability of faculty to express ideas and teach concepts that are germane to their respective subjects in research and publication as well as the classroom; the ability to do so without interference must remain unfettered. Some subjects of intellectual inquiry cause discomfort to some or all students and faculty members, yet failure to explore those topics would be to deny our responsibility as educators. Rather, the open exchange of ideas between faculty and students must be conducted in an atmosphere of mutual civility, respect, and attention toward the greater good of the university and its members.

Faculty members should neither be censored for expression of their views nor engage in self-censorship out of fear of recrimination; similarly, students should know that they have the right to express their views as well but will be held to the same standard of defense of those views. Academic freedom in no way implies a tolerance of disrespect, of bigotry, or of discrimination regarding age, race, national origin, religion, sexual orientation, or gender, nor should the academic freedom of one person interfere with the freedom of another.

Academic freedom also includes the right to freedom in research and publication. Faculty members are free to select topics, obtain data, and report findings in a manner that is scientifically and academically sound in one’s field without censorship. Work that produces monetary gains will be based on standard practices and shall not be linked to nature of the research.

The freedom to associate, to speak, and to write are central to the republic itself. Therefore, it shall be the policy and practice of the university to permit a faculty member’s exercise of the basic right of freedom of speech when outside the university itself and to be involved in community activities.

DIVERSITY, EQUALITY, AND INCLUSION STATEMENT

Lindenwood University’s commitment to equality and inclusion is detailed below.

Lindenwood University is proud of its diverse population of faculty, staff, and students from all corners of the world. We intentionally design our policies in such a manner that all stakeholders (whether students, employees, or visitors) will be treated respectfully, fairly, equitably, and with dignity and inclusiveness in the pursuit and achievement of the objectives of their relationship with the university.

Additionally, we strive to ensure the opportunities afforded by the university for learning, personal advancement, and employment are offered to all without discrimination and that
we always provide a safe, supportive, and welcoming environment for all students, employees, and visitors. Upholding a culture of diversity, equity, and inclusion means that people of different cultures, races, colors, genders, ages, religions, orientations, affiliations, sexual orientations, socio-economic backgrounds, disabilities, or countries of origin shall not be mistreated or discriminated against on the basis of their differences. Therefore, all Lindenwood policies, facilities, resources, activities, and privileges, irrespective of individual differences, are made available and accessible to everyone in our campus community.

AT LINDENWOOD UNIVERSITY, WE WILL STRIVE TO

• Offer collaborative and integrated academic, co-curricular and sporting programs that provide mutually beneficial experiences to our diverse body of students.

• Pursue and promote mutual understanding, respect, and cooperation among our students, teaching and non-teaching staff, contractors, suppliers, and visitors to our community who represent the aforementioned differences.

• Encourage and promote the empowerment and advancement of minority groups within our community through academic and social activities, offering activities of special interest to them, and affording them equal-opportunity integration within our community.

• Respect the knowledge, skills, and experiences that every person in our community brings to the university.

• Design and operate flexible and easily accessible services, facilities, and activities whose procedures appropriately recognize the needs of everyone in our community.

• Make every effort to ensure that our current and future contractual agreements and obligations fully reflect and embrace our commitment to the philosophy and culture of diversity, equity, and inclusion as delineated in this statement.

• Encourage all faculty and staff members to promote diversity, equity, and inclusion throughout our community.

• Protect every member of our community against all forms of discrimination.

DRUG-FREE SCHOOLS, COMMUNITIES, AND WORKPLACE

Lindenwood University’s commitment to a drug-free community is detailed below.

Lindenwood University strives to uphold the ideal of an alcohol-free, drug-free campus, and we strictly enforce related policies and regulations. In keeping with this ideal, we comply with the Drug-Free Schools and Communities Act of 1989 and the Drug-Free Workplace Act of 1988, and we seek to provide a healthy, safe, and secure environment for students and employees. Lindenwood has implemented programs that provide for annual distribution, in writing, to each student and employee of (1) standards of conduct that clearly prohibit the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on university property or as part of any university activity; (2) descriptions of applicable legal sanctions under local, state, or federal law; (3) descriptions of available drug or alcohol counseling, treatment, or rehabilitation or re-entry programs; and (4) clear statements of the disciplinary sanctions that the university will impose on the students and employees. Lindenwood University also provides for the biennial review of these programs to determine their effectiveness, implement needed changes, and ensure that disciplinary
sanctions are consistently enforced. Non-compliance with the regulations by students, employees, and the institution carries serious penalties, including the termination of all federal financial assistance and the possible requiring of repayment of funds received. Refer also to the Campus Policies section in the Student Handbook and to the information booklets distributed separately to both students and employees.

**INSTITUTIONAL NONPARTISANSHIP**

Lindenwood University’s commitment to nonpartisanship is detailed below.

No office, organization, subdivision, student, or employee of Lindenwood University may use university resources, advertising channels, or work time to promote, assist, or express support for any particular candidate(s) pursuing election or appointment to a political office. No Lindenwood students, faculty members, or employees may use those resources or university work time on behalf of personal political initiatives or state or imply that they speak as a representative of the university when expressing personal support for a political candidate. No Lindenwood students are permitted to post, mount, erect, or stand a sign, banner, or poster of a political nature on any property owned, leased, or managed by the university.

This policy is in no way meant to deter students or organizations on campus from engaging in political discussions and debate. However, Lindenwood as an institution must remain politically neutral relative to candidates for office. Also, students may invite active candidates to campus as long as the university issues equal invitations to the opposing candidates. The general principle is that Lindenwood will allow political activities on campus only if they serve a clear educational purpose. Any such events must be approved by the Office of Student Involvement.

**POLICY OF NON-DISCRIMINATION**

Lindenwood University does not discriminate on the basis of race, color, national origin, age, sex, sexual orientation, gender identity, gender expression, pregnancy, religion, disability, veteran status, genetic information or other status protected under applicable law. This policy extends to its admissions, employment, activities, treatment, educational programs, and services.

Lindenwood University is committed to a policy of non-discrimination. Any kind of discrimination, harassment, intimidation, or retaliation is unacceptable. For the purpose of this policy, discrimination, harassment, intimidation, or retaliation may be defined as any attempt on the part of individuals, groups, or recognized campus organizations to deny an individual or group those rights, freedoms, or opportunities available to all members of the Lindenwood University community.

The following persons have been designated to handle inquiries regarding Lindenwood University’s non-discrimination policies: Kelly Moyich, Title IX coordinator/interim dean of students (636.255.2275 or LARC, Room 209). Jeremy Keye (636.949.4510 or jkeye@lindenwood.edu) has been designated to handle inquiries regarding Lindenwood University’s disability services. Any person may also direct inquiries to the U.S. Department of Education’s Office for Civil Rights (One Petticoat Lane, 1010 Walnut Street, Suite 320, Kansas City, MO 64106, Ph: 816.268.0550, OCR. KansasCity@ed.gov). Lindenwood University is an Equal Opportunity Employer.
**TITLE IX SEXUAL HARASSMENT POLICY**

Lindenwood University is committed to maintaining an environment that is free from sexual discrimination, sexual and gender-based harassment and violence, relationship violence, stalking, and retaliation. A full copy of Lindenwood University’s Sexual Misconduct Policy is located at www.lindenwood.edu/files/resources/final-title-ix-policy-11-2.pdf. If a student is aware of sexual misconduct and/or feels he or she is a victim of sexual misconduct, he or she should immediately contact Lindenwood University’s Title IX coordinator at 636.255.2275, LARC, Room 209.

**UNIVERSITY POLICIES**

**ALCOHOLIC BEVERAGES**

Present state law makes subject to arrest and prosecution any person younger than 21 years of age who consumes and/or possesses alcoholic beverages or supplies such beverages to a person under the age of 21. The university administration and Board of Trustees have further instructed that alcohol be prohibited on campus. Lindenwood University has policies prohibiting alcoholic beverages at any athletic event on or off campus. Student problems relating to alcohol and its possession and/or use will be brought to the attention of university authorities, resulting in disciplinary action, including possible dismissal from the university. The Student Counseling and Resource Center provides confidential counseling and referral services to students who are dealing with substance abuse issues.

**BULLETIN BOARD FLIERS, NOTICES, AND OTHER PROMOTIONS**

Announcements of meetings and events by campus-approved organizations may be posted or placed at designated areas on campus by Student Involvement staff. These postings and announcements will reflect the integrity of the university and represent student meetings and events. Materials will be posted according to the following guidelines:

- Materials for meetings and events must be pre-approved by Student Involvement by submitting the request form on Involve U and will be posted by its staff on designated Student Activities bulletin boards. Materials of an academic nature (courses, research participants, etc...) must be approved by the Office of the Provost and Vice President for Academic and Student Affairs.

- Posters, fliers, banners, or other notices will only be posted on bulletin boards. Postings will not be attached to or written on building walls, beams, glass, trees, hallways, lamp posts, doors of any type, floors, or ceilings or painted on sidewalks.

- No more than one flier per event will be posted on a bulletin board.

- Chalking on sidewalks must also be approved by Student Involvement by submitting the request form on Involve U.

- Painting of the Spirit Rock must also be approved by Student Involvement by submitting the request form on Involve U.

Students, campus organizations, or non-campus persons who wish to host a table in a facility on campus must request permission to do so through Student Involvement by submitting the request form on Involve U. Additional promotional methods are available. For more information, visit the Student Involvement Office on the third floor of Evans Commons.
CANNABIDIOL (CBD)
Cannabidiol (CBD) in any form or concentration is prohibited. The prohibition applies to all facilities, campus areas, and university-owned and leased property, or vehicles where services are carried out or offered.

CONTROLLED SUBSTANCES
Lindenwood University cooperates with local, state, and federal officials regarding the use of controlled substances. Because the use of drugs harms the user physically and mentally, interferes with the user’s ability to carry on their academic and social life, and infringes upon the social and academic rights of others, Lindenwood University will not tolerate and strictly prohibits any use, possession, or distribution of narcotics, illegal drugs, chemicals, and/or related paraphernalia. Further, students receiving federal financial aid (Pell Grant, Guaranteed Student Loan, etc.) are required to sign pledges that they will not use, possess, or distribute controlled substances, and they risk the cancellation of that aid by involvement in such activity. A medical use of drugs is permitted when prescribed by a physician, but may not violate our campus policy. Violation of this policy may result in immediate dismissal. A copy of the Lindenwood University Guide to a Drug-Free Campus is available in the Office of Student Life and Diversity and on the website.

Lindenwood will assist in any substance abuse problem that may arise. The Student Life & Diversity Office, the university chaplain, and the Wellness Center will provide additional assistance for students having a physical or psychological problem with alcohol, drugs, or other chemicals. Students may also voluntarily approach a university official for assistance. In situations in which a behavioral incident involves substance abuse and results in disciplinary action, the university’s interest also includes the provision of screening, educational, and informational assistance and referral to other professional services, as well as family notification.

CLASSROOM CELL PHONE USE
No phone calls may be answered during class; phones must be set on vibrate or silenced during class periods. The use or permitted presence of cellphones in the classroom is left to the discretion of the professor. Unauthorized or disrespectful use of cell phones hinders learning outcomes, and continued cell phone use may result in disciplinary action at the discretion of the professor or as stated in the course syllabus.

CLASSROOM RECORDING DEVICES USE
During classroom instruction, the use of cameras, video, audio taping devices, or any other kinds of recording devices (including telephones) is allowed only after obtaining permission from the instructor; otherwise, the use of such devices is prohibited. Such recordings may not be redistributed to anyone who is not a member of the class without the express written permission of the instructor and all student subjects of the recording.

COUNTY LIBRARY DISTRICT FINES – ST. CHARLES CITY
The university, in cooperation with the St. Charles City-County Library District, will collect any fines or assessments due to the library and bill them to each student’s account. Any sums due will be treated as any other student fee.
DIRECTORY INFORMATION NOTICE

Pursuant to the Family Education Rights and Privacy Act (FERPA), Lindenwood University may disclose, without consent, “directory” information. You must notify the Office of Academic Services, in writing, to request that certain directory information not be disclosed. Directory information includes name, address, telephone listing, email information, photographs, date and place of birth, enrollment status, class level, major field of study, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance, degrees and awards received, most recent school attended, and other similar information.

DRONES (UNMANNED AERIAL AIRCRAFT)

Due to the potential of injury and privacy of our faculty, students, and staff and the potential of property damage, Lindenwood University prohibits the flying of unmanned aerial aircraft (drones) and model aircraft on Lindenwood-owned and operated property without the proper authorization from the administration. Violation of this policy could result in university sanctions, which could include referral to federal, state, and local law enforcement agencies.

FAMILY NOTIFICATION

The purpose of Lindenwood University’s family and legal guardian notification is to foster a healthy and safe campus community, while promoting the educational success of students. Consideration to notify parents demonstrates our commitment to caring for our students. We also recognize that families and legal guardians are concerned about family member’s well-being and can play positive role in the learning experience. Family notification is intended to encourage communication between the student and family, while not compromising the student’s ability to assume responsibility for their actions. Once the family notification has been completed, then the university will communicate with the student and not the family or legal guardian. In accordance with FERPA, the dean of students may contact the family/legal guardian in the following instances: (1) a concern for the student’s welfare, (2) the student’s behavior may jeopardize the welfare and safety of others, (3) violation of local, state, federal laws or university policies that permits parental notification, (4) serious/life-threatening injuries, and (5) behaviors that are self-harm or harm to others. The university retains the right in its discretion to notify parents of any conduct or behavior matter.

FIRE AND TORNADO ALARMS

All residents must leave the residence hall immediately when the fire alarm sounds. When the city tornado siren sounds with a steady blast, students must go to the nearest designated campus shelter and remain there until the “all clear” is given by a university official. The City of St. Charles conducts a test of alarms on the first Monday morning of every month when the weather is clear.

FIRE PROTECTION EQUIPMENT AND ARSON

The presence of fire extinguishers, hydrants, and alarms is mandated by civil housing codes and state and federal laws. Any unauthorized use or tampering with such equipment is considered a violation of those statutes and university policy and will result in disciplinary action, financial charges for damage, dismissal when abuses are severe or
repetitive, and possible prosecution by civil authorities. Intentional or unintentional use of flame or heat in a dangerous manner or setting a fire inside a building or on campus.

These items or images may not be displayed during virtual events/classes. Violators are subject to campus disciplinary action, up to and including dismissal and possible referral to appropriate local, state, or federal law enforcement agencies.

**FREEDOM OF ASSEMBLY**

The freedom of assembly is recognized by Lindenwood University; however, the university will not allow any group or individual to disrupt or attempt to disrupt the operation and function of the university by any means. The Drug-Free Workplace Act and Drug-Free Schools and Communities Act requires the university to prohibit the use of marijuana on campus.

PARKING AND DRIVING ON CAMPUS

A valid Lindenwood parking permit is required for all vehicles used by undergraduate and graduate resident and commuter students. In an effort to be responsible and harbor a safe environment in all traffic and parking situations, students are required to park in valid, marked parking spots in designated parking lots, without exception. Frequent violations or the creation of hazardous situations as a result of irresponsible driving or parking will result in booting of the vehicle, possible loss of driving/parking privileges on campus, and towing at the vehicle owner’s expense without warning.

The following regulations are strictly enforced:

- The speed limit on campus is 15 MPH and will be closely monitored by public safety personnel. Multiple violations will result in loss of driving privileges on campus.
- Parking in areas other than those designated parking spots is forbidden and will result in a fine.
- Impeding traffic is hazardous and causes unnecessary delays in the flow of vehicles and traffic. This action will result in a fine and possible immediate towing at the owner’s expense.
- Accessible parking spots require the vehicle to have a valid state-issued hangtag or license plate. All others parking in accessible parking spot are subject to fines.
- Fire lanes are designated by yellow markings on the curb throughout campus. Vehicles are prohibited from parking at these curbs. Violators are subject to towing and additional fines.
- The Memorial Arts Building and Young Hall parking lots are designated for commuter, faculty, and staff parking only. Resident parking is not permitted in these lots. Additionally, some parking spots on campus are reserved specifically for adjunct faculty members and university vehicles. Student parking is not permitted in these spots.

Written appeals of parking tickets can be made to the director of Public Safety and Security within 30 days of the date the ticket was issued. Appeals must include the ticket number, date, and time the ticket was received and an explanation of the reason for the appeal. The director of Public Safety and Security will reply indicating whether (1) the ticket has been dismissed, (2) the fine has been reduced, or (3) the ticket has been sustained and the fine must be paid.

On occasion, a stray pet will be found roaming the campus. For safety reasons, please do not
feed the animal or touch it. Please contact the security office regarding any stray animals. Any resident who is found to have an unauthorized pet will receive a $150 fine.

Only service animals are allowed in all buildings on campus.

PROSELYTIZING

Students, campus organizations, or non-campus persons are prohibited from approaching, disturbing, or interfering with students as they study, eat, lounge, or go about their business by visiting door to door, proselytizing, witnessing, or any other acts of influence or persuasion. Students and campus organizations wanting to host a table in a facility on campus must request permission through the Office of Student Involvement. The university’s primary concern regarding social media such as, but not limited to, Facebook, Snapchat, Twitter, and Instagram, involves the safety of students as well as the integrity of Lindenwood and its community. Potential employers, clients, and family members may access the information posted on social media. Unfortunately, so may predators and criminals. Once information is posted on social media sites, it becomes part of a public realm, accessible to anyone with Internet access. Students forfeit any right to privacy when pictures, blogs, and/or comments are posted online. In addition, online photos, comments, and posts can be archived forever. Remember, what you do, what you say, and what you post online represents you, your team, and the university.

While Lindenwood has no specific policy prohibiting the use of these websites (as it recognizes that they can be educational), the university does possess resources to determine whether any content violates the university’s policies. Any use of social networking or media that is deemed inappropriate by the dean of students, defames the university or its community, is discriminatory or harassing, or violates any of the university’s policies or procedures will be subject to sanction, including but not limited to dismissal from the program and/or the university.
In addition, listed below are a few guidelines to follow regarding social media use:

- Avoid posting personal information like addresses, residence hall locations, cell phone numbers, etc.
- Do not make references to alcohol or drugs in photos or blogs.
- Do not post explicit pictures.
- Do not post negative references to your classmates, instructors, staff, or athletic teams or players from other schools.

Social fraternal organizations have been a part of Lindenwood University since 1992. The goal of all fraternities and sororities on campus has long been to help students develop as leaders and empower them by providing opportunities to create campus traditions, initiate community service, and make lifelong friendships. The social fraternal community at Lindenwood consists of three national sororities (Delta Zeta, Phi Sigma Sigma, and Sigma Sigma Sigma) and three fraternities (Delta Tau Delta, Phi Delta Theta, and Phi Lambda
Chi). Lindenwood is also home to culturally based fraternal organizations as well. These organizations participate in the same activities as social fraternal organizations but also have a social justice focus. Currently, Lindenwood has one culturally based organization (Alpha Psi Lambda National, Inc.) and collaborates with several historically African-American fraternities and sororities in the city of St. Louis. The university also has multiple professional and service fraternities. Sororities and fraternities are committed to seeing their members achieve personal excellence; the cornerstone of the fraternity and sorority experience is the development of better women and men. Being a member of the fraternal community helps students transition to college life. Not only does the community provide a home away from home, but it also allows members to showcase and train their many talents and gifts. Lindenwood fraternity and sorority members are known for their community service, tight networking, and support for each other. LEADERSHIP DEVELOPMENT
Student Involvement is proud to facilitate educational and engaging opportunities, which provide students and organizations with the essentials needed to explore, strengthen, and elevate their leadership skills. For students wanting to develop specific leadership skills, Student Involvement offers one-hour workshops through our Leadership Series and Lunch with Leaders programs. These programs feature faculty, staff, and alumni and help students develop skills in communication, conflict management, networking, and more. Students wishing to have a more in-depth leadership development experience can participate in our Elevate Leadership Certification or Collegiate Leadership Competition Team. Elevate is a self-designed, co-curricular experience that students can structure around their own interests and career goals. This certification is designed to encourage and reward students for their involvement and leadership at Lindenwood and help them connect their out-of-class experiences with their academics. The Collegiate Leadership Competition team is a semester-long leadership program. Students meet regularly to develop and practice their leadership skills and then together as a team, compete in a leadership competition against schools from across the country. For more information about leadership programs, you can stop by the Student Involvement Office on the third floor of Evans Commons or visit the Student Life page of the Lindenwood website at www.lindenwood.edu/student-life/.

EXPECTATIONS OF STUDENTS AND STUDENT CONDUCT

ACADEMIC INTEGRITY AT LINDENWOOD UNIVERSITY
Academic integrity is the foundation of any educational institution. Lindenwood University students belong to an educational community invested in the exploration and advancement of knowledge. Academic integrity is a critical part of that investment: all students have a fair opportunity to succeed, and as such, all students owe their classmates, instructors, administrators, and themselves the duty of scholarly and creative work untainted by plagiarism, dishonesty, cheating, or other infringements of academic integrity. In turn, instructors, staff, and administrators will also uphold these policies in order to promote student intellectual development and preserve the integrity of a Lindenwood degree.

As part of this educational community, students are expected to familiarize themselves with the university’s policies on academic standards in the Lindenwood University Student Handbook and academic catalog and to adhere to these policies at all times. Students are also encouraged to consult the resources of the university library and the Writing Center and Academic Success Center for assistance with compliance with academic standards.

Academic dishonesty includes plagiarism, cheating, and lying or deception.

- Cheating is giving or receiving unauthorized aid on an examination, assignment, or other graded work. Regardless of where the aid comes from—e.g., cell phone, crib sheet, or another student—it qualifies as academic dishonesty.
- Lying/Deception refers to dishonest words, actions, or omissions directed at university personnel by a student in order to improve the academic or financial standing of any student at the university.
- Plagiarism is the fraudulent presentation of another person’s ideas or work as the student’s own, or the presentation of the student’s own previous work as new and original.
- When a student, whether by accident or design, does not properly acknowledge sources in any academic assignment where original work is expected, that student is stealing the ideas and effort of another.
- For all assignments completed entirely or partially out of class, the instructor reserves the right to interview the student about the work to verify authorship. A student who is unable to demonstrate a basic understanding of the submitted work will be reported for academic dishonesty and an appropriate penalty will be applied.
CONSEQUENCES OF ACADEMIC DISHONESTY

The penalty for the first reported offense of academic dishonesty will be determined by the instructor and may result in a reduced or failing grade on the work/test, failure in the course, or other appropriate penalty. Upon a first report of dishonesty, the student is also required to complete an online academic integrity tutorial. A charge for the tutorial will be applied to the student's Business Office account. For undergraduate students, a second offense will result in failure of the class, and a third offense will lead to expulsion from the university. Graduate students will be expelled after a second offense is reported.

Any questions concerning this policy should be directed to the associate provost, academic operations who maintains confidential records of academic dishonesty reports. These records are accessible only to the provost and associate provost and are not linked to the student’s academic or financial records at the university.

BIAS INCIDENTS

Lindenwood University is committed to providing a safe, respectful and inclusive environment for all students, staff, faculty, and guests to our community. The institution is therefore committed to achieving a campus that is free from bias incidents and hate crimes. Hate crimes are defined by the Clery Act as “criminal offenses that manifest evidence that the target was intentionally selected because of the perpetrator’s bias related to race, gender, religion, sexual orientation, ethnicity, national origin, gender identity, and/or disability status.” Bias incidents are defined as conduct, behavior, speech and/or expression which are motivated, in whole or in part by bias against the person’s or group’s actual or perceived sex, gender identity, sexual orientation, national origin, race, religion, or disability. Examples may include, but are not limited to, any racial slurs and language opposite of anti-racist behavior, vandalism to personal or university property, defacement of posters or signs, intimidating comments or messages, comments that express harmful stereotypes (i.e., racial jokes), graffiti on a dorm room white board that expresses bias against the above categories, or other similar acts when the target, victim, or class of person was chosen because of one of the above-referenced characteristics. A bias incident and hate crime will be deemed a violation and subject to discipline and may be deemed an aggravating circumstance to any other violation. Consequently, bias incidents and hate crimes may result in a more serious sanction, up to and including dismissal from Lindenwood University.

However, just because an expression of an idea or point of view may be offensive to some or many does not mean that it constitutes a bias incident. Lindenwood University values freedom of expression and the open exchange of ideas and, in particular, values the expression of controversial ideas and differing views. That being said, this value system does not protect harassment, discrimination, or expressions of bias or hate that violate this handbook. Whether conduct, behavior, speech, and/or expression is an expression of a controversial idea or a bias incident will be determined at the discretion of the dean of students.

BULLYING

Lindenwood University defines bullying as any intentional act of intimidation during which an individual engages in unwarranted conduct that is purposely designed to insult, threaten, humiliate, undermine, coerce, or defame another. Students, faculty, staff,
administrators, or organizations who resort to bullying or other forms of intimidation are subject to university disciplinary procedures. To report an alleged instance of bullying, a student should contact the dean of students or the Title IX coordinator. Investigations into alleged occurrences of bullying will be conducted with the highest level of confidentiality.

The institution assures its employees and students that it will consider fairly all complaints and third-party comments and not engage in retaliatory action against any individual who has submitted such information.

**CONDUCT**

To maximize classroom and campus success for each student and to ensure a positive learning environment, the following conduct is expected of all students:

- As a currently enrolled student of Lindenwood University, I will abide by all rules and regulations published in the student handbook. Disciplinary action for non-compliance covers conduct that occurs on any university-owned or -leased property, any university-owned/leased vehicles, online, and off-campus during a university-sponsored activity/ funded program/or approved event (i.e., internships), as well as any off-campus conduct that will interfere with the campus community and well-being of others.
- I will not submit plagiarized work and I acknowledge that I am subject to all disciplinary procedures established by the University to address violations of academic honesty as per University Policy.
- As a student, I shall solely perform all assignments and assessments, except where my instructor has requested participation in group projects.
- As a student user of online courses, I will respect the privacy of other users (students and instructors) and the integrity of the computer systems and other users’ data. It is my responsibility to respect the copyright protection of licensed computer software. I will not intentionally obstruct, disrupt, or interfere with the teaching and learning occurring on the website in any manner. I understand that any form of computer “hacking” will be reported to local law enforcement agencies and penalized according to prevailing laws.
- I will not harass, stalk, threaten, abuse, insult, or humiliate any student, instructor, administrator, or external entity using the Lindenwood computer system or any other computer system utilized by Lindenwood University or its affiliates. - I understand that it is the intent of Lindenwood University that all members of the University community comply with the provisions of the United States Copyright Law. This Copyright policy serves to uphold the University’s commitment to protecting the principles of intellectual property, as well as, protect the rights of its faculty to make appropriate use of copyrighted works for acceptable educational purposes. This policy applies to all University faculty, staff, and students who wish to make use of copyrighted works, whether in print, electronic, or other form. Implicit in this policy is the “Fair Use Act” which applies across the board to uses in the traditional classroom environment and the TEACH Act which is an exception to the “Fair Use Act” for distance learning.
• I understand that I may not distribute copies of copyrighted materials to other students. This includes PowerPoints, handouts, podcasts, etc.

• I understand children are not permitted to attend class with me in any course delivery format.

• I understand that I must comply with adhering to all health and safety measures and requirements that have been established by the University.

• Violation of any online instructional tools may result in removal from an online course and/or loss of online modality privileges in the future.

• Students are expected to act in accordance with the Academic integrity policy. Academic integrity and student honor are of the highest importance at Lindenwood University. Therefore, students are not permitted to sign classroom, lab, or lecture attendance lists for another student. Cheating, lying, and plagiarism of any kind will not be permitted in the academic program and will be considered a violation of university policy.

DISCIPLINE

Disciplinary action for non-compliance with university policies, unless already specified in the Student Handbook, will be handled by the Dean of Students Office. Non-compliance covers conduct that occurs on any university-owned or -leased property as well as any university-owned/leased vehicles and off-campus during a university-sponsored activity/funded program/or approved event (i.e. internships), as well as any off-campus conduct that will interfere with the campus community and well-being of others. The following steps and procedures will occur once a student has been accused of being non-compliant:

The student will be informed that an investigation will be conducted into the allegation(s), interim measures (depending on the severity of the allegations and potential threat to the campus community and well-being of others) may be implemented while the investigation is ongoing, the reporting and accused parties have the right to meet with the dean of students or designee prior to the final decision (they may have one advisor of their choice present), a final decision will be made once all of the evidence has been collected and thoroughly analyzed, the student will be informed via Office 365 of the outcome, any sanctions, and appeal process; and appropriate university constituents will be notified of the outcome.

The student has the right to appeal the sanction(s) in writing to the appellate officer within five university business days from the date of the notification letter and/or signed Behavioral Incident Report Form. The appeal must be based on either (1) new or relevant information, which was not available at the time of the investigation and/or hearing, (2) the sanction imposed by the dean of students (or designee) was excessive and not in keeping with the gravity of the misconduct, or (3) the university did not follow the student conduct procedures. The appellate officer will resolve the appeal within five university business days of receiving it and may take any and all actions that he/she determines to be in the interest of a fair and just decision. The decision of the appellate officer is final. The appellate officer will email a statement of the resolution of the appeal, including any changes made to the previous written determination.
DISCIPLINARY SANCTIONS

All sanctions are documented in students’ conduct file. Potential sanctions include, but are not limited to:

- **Warning** - notice of a finding that an offense has been committed and that continuation or repetition of such violation within a specified time period will result in more severe sanctions.
- **Social probation** - a period of time (which may be indefinite) during which a student is under warning that any other violation of university policy will result in more severe sanctions, which may include suspension or expulsion. While on Social Probation the student will be considered “not in good standing” and limited in participating in certain college programs/activities.

Where a violation involves drug use, the dean of students also may require the student to participate in drug screening on a scheduled or random basis. Any and all costs associated with the screening are the responsibility of the student.
- **Administrative withdrawal from a course** - student is removed from a course and a “W” will appear on their transcript.

- **Deferred Disciplinary Suspension** - is used for offenses found serious enough to warrant disciplinary suspension, but where the specific circumstances of the case mitigate the offense or for repeated offenses of a less serious nature. Deferred Disciplinary Suspension is a designated period of time during which a student is given
the opportunity to demonstrate the ability to abide by the community’s expectations of behavior. During a Deferred Disciplinary Suspension, the student will be officially suspended from the university, but the suspension will be deferred, meaning that the student may continue to attend classes. Deferred Disciplinary Suspension may include the denial of specific university privileges. The duration of any Deferred Disciplinary Suspension period and the specific restrictions imposed will be determined by the dean of students on a case-by-case basis. The suspension will be enforced for failure to complete any assigned educational sanctions by the deadline(s) and/or for any subsequent violation.

In serious situations, a parent or legal guardian may be notified. If a student is dismissed from the university, readmission requires a letter of appeal to be submitted to the dean of students that shows (1) satisfactory understanding by the student of why the dismissal was necessary, (2) why the student wishes to return, and (3) what the student is willing to do in the future to prevent past problems from recurring and contribute to a more positive campus life.

When a student is placed on social probation, deferred suspension or dismissed, the Office of Human Resources will be notified and will determine the impact on the student’s employment status.

**DISMISSAL**

The university reserves the right to dismiss a student who fails to adhere to university academic and social standards at any time. Students can be dismissed for any of the reasons outlined below:

NON TITLE IX SEXUAL HARASSMENT AND SEXUAL MISCONDUCT POLICY

I. INTRODUCTION AND SCOPE

Lindenwood University (the “University” or “Lindenwood”) is committed to maintaining an environment that is free from sexual discrimination, sexual and gender-based harassment and violence, relationship violence, stalking and retaliation. The University does not discriminate on the basis of sex in matters of education, extracurricular activities, programs, activities, athletics, admissions, housing, services, financial aid, or in the context of employment (collectively, the “programs and employment”). Sexual harassment that denies or limits a person’s ability to participate in or benefit from the University’s programs and employment is a form of prohibited discrimination.

- This policy defines Sexual Misconduct prohibited by the University and provides the campus community with the process for handling reports of sexual misconduct that do not fall under Lindenwood’s Title IX Sexual Harassment Policy but may have an adverse effect on the campus and/or University or in the context of University programs and employment.
- Due to the nature of the reported offense, this procedure may differ from other Lindenwood policy violations.
This policy applies to all behavior in which the Respondent is a student, faculty, staff, or a non-University-affiliated party. In the event the Respondent is a third party or other non-University-affiliated party, the University will take appropriate corrective action and determine the appropriate manner of response consistent with the goals of this policy.

II. SEXUAL MISCONDUCT

This Policy applies to Sexual Misconduct that occurs on-campus and off-campus, when the off-campus conduct: (i) occurs during a University sponsored employment or education activity or program; (ii) adversely impacts the education or employment of a member of the University community; or (iii) otherwise threatens the health and/or safety of a member of the University community.

As further defined herein, Sexual Misconduct includes sex-based discrimination and harassment that does not fall within the definition of Title IX Sexual Harassment. It also includes Title IX Sexual Harassment that occurs outside the University’s education programs and activities or outside the United States (such as in a study abroad program). The University’s handling of reports or complaints of Sexual Misconduct meeting these criteria will follow the procedures set forth herein.

Sexual Misconduct as use in this policy includes “Non-Title IX Sexual Harassment” and “Sex Discrimination” as defined below.

1. NON-TITLE IX SEXUAL HARASSMENT

Non-Title IX sexual harassment (“sexual harassment”) is unwelcome communication or conduct of a sexual nature, including unwelcome sexual advances, requests for sexual favors and other verbal, written or physical conduct of a sexual nature, without regard to whether the parties are of the same or different genders or gender identities. It includes, but is not limited to:

(a.) Quid Pro Quo Sexual Harassment, Hostile Environment Sexual Harassment, Sexual Assault, Domestic Violence, Dating Violence, or Stalking, that occurs outside of the University’s Education Programs or Activities or outside the United States;

(b.) Unwelcome conduct that does not rise to the level of Hostile Environment Sexual Harassment, as defined in this Policy, but that:

- is sufficiently serious (severe, pervasive, or persistent) and objectively offensive so as to deny or limit a person’s ability to participate in or benefit from the University’s programs, services, opportunities, or activities; or

- that has the purpose or effect of unreasonably interfering with an individual’s work or academic performance.

2. SEX DISCRIMINATION

(a.) Sex Discrimination means material, adverse treatment of a person or group on the basis of sex. Discrimination occurs when persons are excluded from participation in, or denied the benefits of, any University program or activity on the basis of a protected status.

(b.) Pregnancy discrimination is a type of Sex Discrimination and means treating a woman unfavorably because of pregnancy, childbirth, or a medical condition related to pregnancy or childbirth.
The University’s process for resolving reports of sexual misconduct will be prompt and
equitable and conducted with the oversight of the Title IX Coordinator. If the Title IX
Coordinator decides a formal investigation and resolution process is warranted, even if no
formal complaint has been filed by a Complainant, the process shall be as follows.

III. THE INVESTIGATION AND PROCEDURES AFTER THE
REPORT
When the University receives a report of Sexual Misconduct and the Complainant has
decided to pursue a formal investigation, or if the University has determined it will pursue a
formal investigation, a trained investigator (or trained investigators) will conduct a prompt,
thorough, and impartial investigation. All parties and witnesses are expected to provide
truthful information during the investigatory process. Knowingly providing false or misleading
information is a violation of University policy and can subject a student or employee to
disciplinary action. The investigator and/or the Title IX Coordinator will provide timely
updates to the Complainant and Respondent parties, as appropriate or requested, about the
timing and the status of the investigation.

The Complainant and Respondent will have an equal opportunity to be heard, to submit
information, and to identify witnesses who may have relevant information during the formal
investigation process. Witnesses must have observed the acts in question or have
information relevant to the incident and cannot be participating solely to speak about an
individual’s character.

The investigator and Title IX Coordinator have the discretion to consolidate multiple reports
against a Respondent or reports where the parties are accusing one another (cross
complaints) into one investigation if the evidence related to each incident would be relevant
and probative in reaching a determination on the other incident. Multiple reports involving
the same Respondent may also be consolidated into a single investigation. The Complainant
and Respondent will have reasonable and equal access to any information or evidence
obtained by the investigator and that may be used or reviewed by the hearing officer. Should
the Complainant or Respondent party want to review any such information or evidence,
such request should be made to the Title IX Coordinator, who will make such information or
evidence available for review.

A. RIGHT TO AN ADVISOR
Throughout the process, a Complainant and Respondent may have an advisor of their
choice present at any meeting related to the investigation or disciplinary proceeding. An
advisor of choice may include an attorney retained by a party at their own expense. Any
party requesting such advisor may be required to execute an appropriate FERPA waiver.

Any person who serves as an advisor should plan to make themselves available for meetings
throughout the process. Advisors may participate in an advisory capacity to the party they
are advising, but they may not take part directly in any portion of the proceedings, including
the investigation, meeting with the hearing officer, or the appeal (although the advisor may
be present with the party they are advising at any time). If a party wishes to speak privately
with their advisor during the investigation or meeting with the hearing officer, that party may
request a brief recess from the meeting or proceeding. The advisor may not be a fact
witness or otherwise have any conflicting role in the investigation or process, as determined
by the Title IX Coordinator. The University may only discuss the report and status of the
report with the chosen advisor if consented to by the party selecting the advisor.
IV. DETERMINATION PROCEDURES

Upon its completion of the investigation, the Title IX Coordinator or investigator will provide the investigative report to the hearing officer who is responsible for adjudicating the matter. The Title IX Coordinator will notify the Complainant and Respondent that the investigation has concluded, and the hearing officer will make a determination within 15 University business days (unless there is good cause for limited delay, such as the availability of the Respondent or Complainant). During that time, the parties will be given an opportunity, if they choose, to meet with the hearing officer to separately discuss the investigation, evidence, and/or the underlying facts. The Complainant and Respondent will not be present together during the determination procedure or interviews at any time.

If the hearing officer has questions with answers not contained in the final investigative report, the hearing officer may contact any party or witness, during the determination process and at their discretion to obtain any additional information. During any such communication, the party is entitled to have his or her advisor present.

In lieu of in-person meetings with the hearing officer, the parties may submit a written statements. Any party may also submit written questions they desire the hearing officer to ask the other party. The hearing officer will review the questions prior to asking the other party to ensure that they are appropriate and relevant. At the conclusion of the individual meetings (if any), or upon receipt of additional written comment, the hearing officer will make a determination as to whether, based on the preponderance of the evidence standard, Respondent’s conduct violated University policy. The hearing officer will issue their determination in a final determination letter provided to the Complainant and Respondent.

If the hearing officer determines that the Respondent is responsible for one or more forms of prohibited conduct using the preponderance of the evidence standard, the hearing officer will determine the appropriate sanction(s).

V. THE APPEAL PROCESS

Either party may appeal the final determination letter of the hearing officer. All appeals must be made in writing, to the Title IX Coordinator within 5 University business days following the date of the determination letter. If a request is not received within 5 University business days, the hearing officer’s final determination letter shall be final. Limited extensions to appeal will only be given for extraordinary circumstances and shall be approved by the Title IX Coordinator at their discretion.

If a party appeals, such appeal shall consist of the Respondent party’s name, the email address where he or she can be reached, a plain, concise and complete written statement outlining the basis for the appeal (see below) and all relevant information to substantiate the grounds for appeal.

The appeal will be decided by an appeal officer. The appeal officer will be the Vice President for Academic and Student Affairs or designee (as determined by the Title IX Coordinator).

The grounds for appeal may only be one or more of the following:

- There was a material deviation from the procedures set forth in this policy that would significantly impact the outcome of the matter or that may reasonably have resulted in a different finding;
• the sanction is disproportionate to the violation;
• New or relevant information, not available at the time of the investigation or determination, has arisen that would significantly impact the outcome of the matter;
• A conflict of interest or bias on the part of the investigator, hearing officer, or Title IX Coordinator improperly influenced the outcome set forth in the final determination letter.

Dissatisfaction with the outcome of the investigation or the final determination letter, or failure of a party or witness to attend or participate in the investigation or hearing process, are not grounds for appeal.

The other party will have an opportunity to review the appeal and may submit a written response to the appeal to the appeal officer within 3 University business days following the appeal being sent to that party.

Except in extraordinary circumstances, appeals will be resolved by the appeal officer within 7 University business days following receipt of the request for appeal, but only after the other party has had 3 University business days to respond. All parties will receive written notification following the final determination of any appeal.

The decision of the appeal officer is final and not subject to appeal.

VI. TIMING

Except for good cause, the University will attempt to conclude its investigation, determination process, and appeal process between 60-75 University business days following receipt of a report. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness, fairness, and impartiality. The University may extend this timeframe for good cause and will communicate any delay in the process in writing to the parties, including an updated timeframe for completion and the reason(s) for the delay. Good cause may exist for a variety of factors, including but not limited to the complexity of the circumstances of each allegation, the integrity and completeness of the investigation, to comply with a request by external law enforcement, to accommodate the availability of witnesses, to account for university breaks or vacations, and/or to address other legitimate reasons.

STEALING AND POSSESSION OF STOLEN PROPERTY

The possession of stolen property (from another student, the university, or the general public) or related suspicious behavior (i.e., uninvited entry, deception, false statements) is unacceptable. Violators are subject to campus disciplinary actions and possible referral to appropriate local, state, or federal law enforcement agencies.

STUDENT INTELLECTUAL AND PROPERTY AND PATENT OWNERSHIP POLICY

I. STUDENTS

Student Rights—“Student Work” is a work produced by one or more Lindenwood students in fulfillment of class assignments, as projects for academic credit, or as projects with co-curricular or extra-curricular organizations. The primary purpose of a Student Work is
educational. A Student Work is owned by the student(s) and is subject to a non-exclusive, royalty-free license for the university to use the Student Work for its educational, promotional, and public relations purposes if the Student Work is not a confidential educational record.

(a.) Student Responsibilities--Students who participate in the creation of a Student Work are responsible for their contributions to such Student Work including, without being limited to, ensuring that their contributions to such Student Work do not violate or infringe on any copyright, any right of privacy, or any other right of any person, and that such Student Work is not libelous, obscene, or otherwise contrary to law. Students are responsible for obtaining any necessary permission to use any copyrighted materials that may be included as a part of their contributions to such Student Work.

(b.) Limitation on Transfer Rights to Student Work. A Student Work may also have market value. However, if a student markets,commercially distributes, or transfers their rights in a Student Work to a third party, the student may hinder faculty supervision of the Student Work, thereby limiting the primary educational purpose of the Student Work. Students should also be sure that their marketing, commercial distributions, or transfer of rights do not infringe upon the rights of co-authors of the Student Work. A Student Work that is produced by more than one student (a "joint Student Work") is subject to the following policy, and all students agree, as a condition of their attendance at the university, to abide by the provisions of this policy.

Students agree to wait until every student who contributed to a joint Student Work has either graduated from Lindenwood University or is no longer enrolled before distributing their own interest in a joint Student Work. This temporary limitation on distribution of one's interest in a joint Student Work includes distribution in any manner, such as by sale or other transfer of ownership or other rights, licenses, leases, loans, gifts, or otherwise. Students may, however, enter a joint Student Work in festivals or competitions. Students shall make a joint Student Work available to other students and to faculty members of Lindenwood University who participated in creation of the joint Student Work for any use relating to their education or to the education of such other students. The dean of the appropriate school at Lindenwood University may, in consultation with the vice president for academic affairs and the president of the university, waive these restrictions for any reason satisfactory to the dean.

(c.) Lindenwood Credit--Lindenwood University will decide whether or not to put its name on a given Student Work. If so requested by the appropriate dean at Lindenwood University, the students who own the Student Work agree to give credit in such Student Work in a manner satisfactory to the dean and any donor to Lindenwood University whose donation contributed directly to the production of such Student Work.

(d.) Destruction of Student Work--It is the obligation of students to retrieve their Student Work. The university has no obligation to preserve Student Work and reserves the right to destroy Student Work after the end of the semester in which the Student Work was created.

II. DISCLOSURE

Students who participate in the creation of Student Work in which the university may have an ownership interest should make an immediate disclosure, in writing, to the dean of their respective schools.
III. ADDITIONAL PATENT PROVISIONS

The goal of the inventions and patent policy is to ensure that discoveries, inventions, and other creations generated by students of Lindenwood University are utilized in ways most likely to benefit the public.

The university seeks to assist its student inventors in properly disclosing their scholarly work, in complying with applicable laws and formal agreements, and in gaining the protection available under United States laws governing patents. Likewise, the university seeks to ensure that commercial benefits are distributed in a fair and equitable manner that recognizes both the contributions of the inventors and the interests of Lindenwood University.

(a.) Definition of Invention— “Invention” means any and all ideas, processes, inventions, machines, technology concepts, designs, manufacture, programs, trade secrets, compositions of matter, discoveries, and other proprietary information, or an improvement thereof, whether patentable or unpatentable, that have been or are created, discovered, acquired, conceived, or reduced to practice.

(b.) Administration—The administration of this patent policy will reside with the president, the president’s designee, or a committee appointed by the president. The Invention shall be evaluated as to commercial value and whether it should be patented. All parties shall work together to ensure that all sales or licensing of the Invention are implemented to bring the Invention to the public while securing financial reward for the university and the inventors.

(c.) Procedure—Students may be required to sign a patent agreement with the university that will detail the parties’ patent-related rights and responsibilities and the ownership of the Invention as provided herein. The absence of such a signed agreement will not in any way be interpreted as lessening or reducing the university’s claim to an Invention, and the rules set forth herein shall apply.

(d.) Ownership—Any student Invention is the property of the university pursuant to the patent policy only if it is made in the course of the student’s staff-guided or assigned research projects in research courses or on a voluntary basis. Royalties from the university’s licensing of any student Invention will be shared with the student on the same basis that royalties are shared with faculty or staff.

(e.) Expenses and Distribution of Income—An account will be opened to which expenses associated with patenting and marketing an Invention will be charged. Expenses include, but are not limited to, invoiced costs such as legal fees, patent filing fees, licensing agent fees, development fees, production fees, and other out-of-pocket expenses. Revenues attributable to a particular Invention will first be used to recover expenses incurred according to the following formula:

- One hundred percent (100%) of the income shall go to the university until all of its out-of-pocket expenses associated with the protection and development of the Invention have been reimbursed. After the university’s full recovery of expenses, the net revenues received by the university will be distributed as follows: 50 percent (50%) to the university and 50 percent (50%) to the inventor.
• In the event of multiple inventors, the inventors will be expected to agree among themselves on the fractional distribution of each inventor’s share of any royalties. The inventors shall sign a written agreement specifying the fractional distribution of their share of royalties. The inventor’s share will continue even if the inventor leaves Lindenwood University.

(f.) Dispute Resolution--In the event of any dispute regarding a decision of the committee or a decision of the inventors in the case of multiple inventors, under this policy—including, without limitation, the ownership of an Invention or the allocation of the inventor’s share of royalties--the president shall have the final decision concerning the university’s position on the matter.

STUDENT RESPONSIBILITIES: POLICIES AND PROCEDURES

THE RESPONSIBLE STUDENT

Lindenwood University helps prepare students for success in their personal and professional lives. Along with classroom education, students will be provided with opportunities outside of the classroom to develop their personal and social skills for successful living. Toward that end, students must be able to comfortably and respectfully interact with others, including their peers and classmates; professors and advisors; supervisors and professional mentors; and all faculty, staff, and members of the administration. The following reminders are intended to guide students in such interaction and help ensure that they attain the highest possible degree of educational, social, and spiritual fulfillment as they attend Lindenwood.

• Give proper respect to faculty, staff, and others in authority.
• Be courteous to fellow students and authorized campus visitors.
• Choose your language and speaking volumes with consideration for others.
• Wear hats in the classroom only at the discretion of the instructor or professor.
• Maintain good grooming and personal hygiene; they are a reflection of your health, attitude, and personality.
• Behave appropriately in front of prospective students and guests. Students, prospective students with their families, alumni, corporate executives, and other financial supporters will visit the campus throughout the year. We expect our students to present the best possible image of Lindenwood University by keeping the campus attractive and keeping a positive attitude at all times. A friendly smile with directions for a campus visitor is remembered and highly respected. If you see any trash on the campus grounds, please pick it up and deposit it in a nearby receptacle. Also, please keep entrances to residence halls and campus buildings free and clear of congestion, litter, and loitering. Your campus is your home, and its beauty is something for you and your visitors to enjoy.
• Adhere to all local, state, and federal laws on and off campus. Failure to do so may result in your dismissal from Lindenwood University. The dean of students may impose interim measures for the duration of the investigative process when a student
is arrested on or off campus during a sanctioned or unsanctioned Lindenwood University activity.

Students are responsible for the administrative tasks described below.

**APPLYING FOR GRADUATION**

Students are responsible for tracking their own academic progress and eligibility for graduation. Specifically, students must track their own progress through their degree programs by maintaining a checklist of all requirements, including major and minor requirements, general education requirements, free electives, sufficient number of 30000+ level courses, and total number of credit hours completed. The academic advisor will confirm that all degree requirements have been met.

In addition to tracking their own progress through academic programs, students must submit an Application for Degree (an application to graduate). The application must be signed by the student and the student’s academic advisor and be submitted to the Office of Academic Services. Also, this form is available on the student portal to submit online to the advisor. Failure to submit an application by the appropriate deadline may postpone the posting of the student’s degree.

The recommended deadlines for the submission of applications for graduation are as follows:

- **Deadline to apply for March graduation** January 15 of same year
- **Deadline to apply for May graduation** February 1 of same year
- **Deadline to apply for August graduation** June 1 of same year
- **Deadline to apply for October graduation** September 15 of same year
- **Deadline to apply for December graduation** September 15 of same year

**CONFERENCE TRAVEL AND STUDENT SCHOLARS**

Students are encouraged to make their own travel arrangements but are permitted to travel to a conference in a faculty member’s vehicle if they sign a waiver releasing the professor and Lindenwood from any and all liability associated with the outing.

The Lindenwood Student Scholars Fund supports travel for the purpose of reading a paper or other scholarly work at a conference, presenting a poster session to communicate a scholarly work accepted for presentation at an event, serving as a moderator or invited participant in a scholarly panel, or exhibiting artistic productions that have been explicitly invited or accepted for presentation by the organizers of the event. Applicants must be currently enrolled at Lindenwood University and must provide documentation of having been invited or accepted as a student presenter or participant. An undergraduate student may be awarded up to $300 per year. A graduate student may receive up to $500 per year.

**DRESS CODE**

Students are expected to dress in a manner consistent with the location and nature of their educational activities. Failure to do so will result in the removal from a class session and possibly the course or even the institution. Notification of inappropriate attire may come from a staff member, instructor, or any other university official. It is at the university representative’s discretion to ask the student to change his/her attire. Students failing to comply with such requests will be subject to the above disciplinary action.
Specifically, students should not wear attire to class or university functions that could be categorized in one of the following ways:

- Clothing and accessories that contain vulgar, derogatory, or suggestive images or diagrams.
- Pictures, slogans, or words that may be interpreted as racially, religiously, ethnically, or sexually offensive.
- Clothing symbolic of disruptive groups associated with threatening behavior, harassment, or discrimination.

**EXCUSED ABSENCES FOR AUTHORIZED EVENTS**

Lindenwood University allows all students engaged in official university-sponsored sporting contests, arts events, approved field trips and academic conferences, or other school-related activities in which students are officially representing the university to be excused from classes they miss while attending such events. Students are required to communicate with their professors in advance of their university-authorized absences and make arrangements to complete missed work. When make-up work is pertinent, students who have provided their professors with advance notice should be permitted to make up the missed work or its educational equivalent at a time and place mutually agreed upon by the student and faculty member.

**RESIDENTIAL HOUSING: POLICIES AND PROCEDURES**

Lindenwood University views a resident’s experience in group living as an opportunity to learn, live, and work with others of varying ages, cultural backgrounds, and interests. Community advisors (CAs) are available throughout each residential location to provide a support system for the students residing there. Each facility is also supervised by an area coordinator (AC) who resides in one of our residence halls or non-traditional houses. Together with their assistant area coordinators (AAC) and CAs, they oversee the general safety and wellbeing of the residents, assist and support students with the daily challenges of university life, and coordinate maintenance and housekeeping activities within the buildings.

The associate director of Residential Life has overall responsibility for student housing. Students are encouraged and expected to take responsibility for themselves in their places of residence and to be responsible to the community in which they live. Active participation in residential activities aids residents in developing a sense of community spirit. Resident students may direct questions, concerns, or ideas about residential living to an AC, AAC, CA, or the associate director of Residential Life or the dean of students.

In order to live in campus housing, students must be enrolled in classes for the upcoming semester (12 hours for undergraduate students; all students should refer to their program requirements for full-time status). Any student falling below full-time status will be asked to leave Lindenwood housing. Waivers can be requested through the Residential Life office if a student is in their last term for graduation. Failure to register for classes by the last day of the term will result in the loss of a housing assignment.
ABSENCE FROM RESIDENTIAL HOUSING

Students who become ill, are involved in accidents, or are for some other reason going away from the residence hall for a time period exceeding one day should inform their AC so that the student can be reached in the event of an emergency. The Office of Residential Life occasionally receives calls from residents’ parents/guardians regarding their whereabouts. By informing your AC of your travel plans, you enable the university to keep your family informed in the event of an emergency.

Only enrolled Lindenwood University students are permitted to live in university housing.

CHECKING IN TO RESIDENTIAL HOUSING

All residents are required to complete the check-in procedure at the beginning of each semester. Students must first report to the designated check-in area (see the Lindenwood website or refer to Office 365 student email for the location), complete the process, and obtain student ID cards for their housing assignments. Upon completion of the check-in process, students may proceed to their assigned residence locations to check in with the area coordinator, receive a key, and move in. Failure to complete the official check-in process will result in a fine. Assigned rooms are held for the students for 48 hours from the date of the start of classes. Any student who anticipates arriving late to campus must notify in writing the associate director of Residential Life of the late arrival. If no arrangement has been made, the student’s room may be reassigned.

CHECKING OUT OF RESIDENTIAL HOUSING

All residents are required to check out of their housing assignments at specific times each year (see holiday closings) and will receive reminders of these move-out dates at their residences. At the end of each semester, residents are required to return their keys to the area coordinator prior to leaving for the break. Any student found to have duplicated a residential key will be assessed a charge of $35 for each key that needs to be replaced and assessed a $100 charge to change the lock. Residents who do not return their keys at a specified check-out time or at the end of the semester will be assessed a $100 fee to replace the lock and a $35 fee for each key to the residence.

Prior to a student’s departure, the area coordinator is required to assess any possible damage that might have occurred to the student’s residence. Rooms must be returned to their original state (personal items removed, tape and staples removed from walls, and room left in clean condition with all trash removed and properly thrown away). In multi-occupancy rooms, the first person to leave is responsible for settling with other roommates any concerns about the physical state of the room, including damaged or missing equipment. Cleaning the room and returning the individual room keys to the area coordinator is the responsibility of each individual student. In the event that a room is left unclean, all individuals will be charged. An additional fee of $100 will be assessed for improper checkout. Appeals of the fee for improper checkout or any other damage charges must be addressed with the area coordinator.

GUESTS

All visitors need to be checked in at the front desk of the hall they are visiting. Visitors are broken down into two categories: Lindenwood students and non-Lindenwood visitors.
Lindenwood students are defined as anyone who is currently enrolled at Lindenwood University.

Any non-Lindenwood student who is visiting the campus and staying overnight must be pre-approved and registered on StarRez and approved by the area coordinator. No visitation will be allowed unless specifically approved on an individual basis. All guests must pay for meals that are eaten at any dining services location. The university holds the host student responsible for the behavior of any guest and for informing the guest of the university’s policies. There is a three-day limit on all approved same-sex visitors.

Invited guests of residents must use the front door of the residential facility and be properly checked in according to the regulations of the facility. Arrangements should be made by the residents to meet the guests in the lounge or at the front door.

All approved guests must be accompanied by their hosts at all times when on campus and in a residential facility. Resident hosts are responsible for their guests until the guest is escorted out of the residence and has left the campus.

Lindenwood University students visiting Lindenwood residential facilities other than their own are considered guests and must check in as such.

Visits by parents or family members of the opposite sex are permitted by notifying the area coordinator and making a courtesy announcement to other students sharing the facility. Unauthorized guests, especially non-family juveniles under the age of 18 and uninvited or inconsiderate persons, are not permitted in campus residences or on the campus and are considered trespassers. Parents are not authorized to remain in the residence overnight.

Violations of these regulations may result in immediate dismissal from the university.

HOLIDAY RESIDENTIAL HOUSING CLOSINGS

For security reasons, residences are closed and locked at noon on the Saturday following finals week. Residences re-open at noon on the day before classes resume. Lindenwood University encourages students and their families to make travel plans early in accordance with this schedule. All residences are closed for winter break. Dates of vacation breaks are available in the Office of Academic Services and online (see academic calendar in the Course Catalogs and Schedules section of the Lindenwood website).

Failure to leave by the designated time or returning before the halls re-open will result in charges being added to the student’s account. Students must address special circumstances in writing to the Office of Residential Life, and the resulting special arrangement must be approved by the associate director of Residential Life at least one week prior to the date in question.

As students prepare to leave for holidays or breaks, they should make certain they have disconnected all electrical appliances, locked windows and doors, and removed all opened food items from the residence. University staff will make health and wellness checks during this time. Additionally, the university does not provide storage of belongings during the summer or other vacation or break periods. Students who are not on the traditional housing schedule may be asked to relocate during the period of time that the residence hall is closed for semester-schedule breaks.
HOLIDAY RESIDENTIAL HOUSING CLOSINGS SCHEDULE

WINTER/SEMESTER BREAK
Check-out occurs by 12 p.m. the Saturday after finals for semester students, and by 12 p.m. Sunday for those graduating.

A request for late departure or permission to remain through break must be received in the Office of Residential Life no later than December 1. Requests received after that date must be approved by the associate director of Residential Life.

SPRING BREAK
Residential housing will remain open during Spring Break.

A request to remain on campus must be received in the Office of Residential Life no later than the Monday during the week prior to the start of Spring Break. Requests received after that date must be approved by the associate vice president for student life and diversity.

SPRING SEMESTER MOVE-OUT
Residences will close at noon the Saturday after the last day of finals for semester students.

All students are encouraged to check out on the day of their last exams. A request for late departure must be received in Office of Residential Life no later than May 1. Requests received after that date must be approved by the associate director of Residential Life.

HOUSING ASSIGNMENTS
Assignments are selected by each student requesting housing accommodations on the StarRez portal located on the Residential Life web page. The student’s assigned and confirmed room is to be used and occupied as a residence by the student and for no other purpose. The university does not guarantee any student the assignment of a specific room in a specific residential building, nor does it guarantee the assignment of a specific roommate. Housing rosters are maintained as official records of the university. Assigned rooms are held for the students for 48 hours from the start of the first day of classes. Students must notify the Office of Residential Life in writing of their late arrival. If no arrangement for late arrival has been made, the late student’s room may be reassigned.

HOUSING CONTRACT
Each resident student must complete a housing contract on the StarRez portal. Once resident students sign their housing contracts, they will have 15 days in which to cancel their contract without penalty. Residential students wishing to change to commuter status must contact the Residential Life office to complete the process. (Note: The housing contract is a primary component of the university’s planning process that the university uses to determine and commit to a certain housing capacity and food cost, regardless of whether the students under contract stay in campus housing every night or eat every meal in the cafeteria.)
KEYS
Student signatures are required to receive keys to rooms. Room keys must be turned in to the area coordinator before departure from the university. The area coordinator must be notified immediately about lost keys to authorize the key replacement. Additional locks may not be placed on any residential interior or exterior doors without prior approval from the director of the Campus Facilities Office. If a student is locked out of their residence, then the first lockout will be free and a warning will issued. During an academic year, all lockouts after the first time will incur a $10 fee per lockout. If a key is lost, the resident will be assessed a minimum fee of $35 to replace the key. If it is necessary to replace the lock, the resident will be assessed a $100 fee for lock replacement and a $35 fee for each key to the residence. There is no charge for a broken or defective key replacement. If a key is broken or defective, it needs to be turned in when a new key is picked up. Residents living in apartment-style housing may request that an additional lock be installed on their bedrooms by paying a $35 fee to the Business Office and then taking the receipt of payment to the Facilities Office. The lock will be installed, and the new key will be issued to the resident.

LOST AND FOUND
All property found on campus should be taken to Public Safety and Security within 48 hours of being found. Security will act as custodian of all found property. Please note the following lost and found guidelines:

- If an individual finds an object in a public area, such as on the sidewalk, it is his/her responsibility to take it to the Office of Public Safety and Security.
- Items left in common areas, such as in the library, will be taken to security by the personnel in these areas.
- All staff workers are directed to take found items to security no later than the end of their shifts.
- Athletic clothing and other athletics-related items found at the Robert F. Hyland Arena will be handled by the Athletics Department at the arena.
- Members of the Lindenwood faculty are asked to use discretion in dealing with lost property. For example, a textbook containing the name and contact information of the owner should, if possible, be given to the student rather than transferred to Security.
- Unclaimed items will be discarded two weeks after the end of each academic year.

MAINTENANCE SERVICE
The director of campus facilities will conduct annual inspections of all Lindenwood residences throughout the school year. Although every effort is made to maintain physical facilities in working order, fixtures and furnishings will occasionally need repair. The procedure for requesting repair or replacement is as follows:

- Minor Repairs: Contact your Area Coordinator and they will determine the priority and then input the work order in FAMIS.
- Emergency Repairs: Contact your Area Coordinator who will notify security and they will notify maintenance.
For repairs needed Monday through Friday after 5 p.m. and weekends call your hall/area’s front desk number. This number is staffed 24 hours by Residential Life Staff and Public Safety and Security.

NON-TRADITIONAL HOUSING OPTIONS

Lindenwood University offers non-traditional housing in our Linden Terrace residential area. Utilities, television, and wireless internet service are also provided by the university. Please see the Office of Residential Life for further details.

Students in non-traditional housing, located in the Linden Terrace housing area, are not authorized to utilize the basements for storage of personal belongings. Placing any items in these areas is done at the student’s own risk.

PERSONAL PROPERTY

Lindenwood University cannot assume responsibility for the personal property, including automobiles, of students or visitors. The university carries no insurance to cover such property losses, even in the case of fire, theft, or other disasters. Students are urged to consider insuring personal property through a renter’s insurance, homeowner’s or personal-effets policy (preferably by extending the policy carried by their parents). Students should clearly mark personal possessions and maintain records of serial numbered items to discourage theft and aid in filing insurance claims.

Loss or damage to personal property should be reported immediately to the director of Public Safety and Security. The university can furnish documentation of the loss for insurance purposes. Within 48 hours following the end of an academic term, all personal property left in a residential facility shall be deemed legally abandoned. Such property shall be bagged and stored on campus up to four weeks. If not claimed within the four weeks, property will be discarded.

Students may claim such property by contacting the university and will be charged $25 per week as a storage fee. A student residing on campus is not a party to a lease and therefore waives all rights of a tenant. As such, the holding of a student’s personal property by the university shall result in no responsibility or liability for damage or loss. Students consent to the disposal of any abandoned property after four weeks.

QUIET/STUDY HOURS

The primary purpose of the residence facility is to foster academic achievement. Where large numbers of people are living together, careful planning and the sharing of responsibility are essential to ensure the best atmosphere. It is imperative that quiet hours be observed by everyone living in university residential facilities. Quiet/study hours are established to allow for adequate study and resting periods for all students. Quiet hours begin Sunday through Thursday at 10 p.m. and Friday and Saturday at midnight, and last until 7 a.m. the following morning. Keeping noise to a minimum for those who wish to study or sleep requires respect and responsibility on the part of all residents. The residence hall staff will determine what constitutes an acceptable noise level during quiet hours. Undue or excessive noise or disturbance of the residence or of the Lindenwood University campus and surrounding community (by the use of electronic or other sound-producing instruments and/or vocal levels) is not permitted.
REMAINING ON CAMPUS DURING HOLIDAYS/BREAKS

Students may request permission to remain on campus during breaks. To do so, a late departure form must be submitted to the Office of Residential Life. It is the responsibility of the student to contact the Office of Residential Life two days prior to check-out day to verify that approval to stay on campus has been granted. Students remaining during the break may request meals by completing a food request contract. Payment for these meals must be made in advance of the break to the Business Office. Food request contracts are available in the Residential Life Office.

A charge will be made to the student’s account based on the approved period of the stay.

RESIDENTIAL AUTHORITY AND ROOM PRIVACY

The university will make every reasonable effort to respect the privacy of students and give prior notice when entry into students' rooms is required for the purpose of health and wellness checks, verification of occupancy, or maintenance. The university reserves the right to enter students' rooms without notice as necessary to assure compliance with university policies and to meet emergency needs. Additionally, throughout the year, area coordinators will be instructed to conduct unannounced health and wellness checks. If necessary, the right of entry will also apply to student-owned or operated vehicles located on university property. Please contact your area coordinator with any questions on this matter.

Bedrooms in the basements of the houses in Linden Terrace are not permitted unless designated as bedrooms by the university. Failure to comply with this expectation may result in disciplinary action and a $250 fine.

RESIDENTIAL DEPOSIT REFUND

An initial $200 housing deposit is required to reserve campus housing for all residential students. By making the housing deposit, the student and the student’s parent or guardian indicate acceptance of the terms and conditions of the university with respect to residential life. Once the semester charges have been paid, the housing deposit becomes a refundable room-damage deposit. This deposit remains on account at the university for as long as the student resides in university housing. The cost for any damages to the student’s university housing will be deducted from the deposit.

Students are eligible for the room-deposit refund upon departure from campus housing (coinciding with graduation or any move from university housing). In order to qualify for this refund, students must meet all financial obligations to the university, satisfy all outstanding debts, and complete the residential check-out process. Any student wishing to move off campus and receive a refund of the housing deposit must complete a change of status to commuter through the Residential Life Office or an Exit Form through the Student Academic Support Services Office. Failure to do so by June 1 for the end of the spring term and January 1 for the end of the fall term will result in forfeiture of the deposit. No refund will be granted to any student who withdraws from the university after making the initial deposit but prior to the start of an academic term.

Application materials for the refund of the room-damage deposit are available in the Office of Residential Life; materials for the residential check-out process are available through the Office of Student and Academic Support Services (Library and Academic Resources Center).
RESIDENTIAL VISITATION POLICY

VISITATION GUIDELINES FOR ON-CAMPUS RESIDENCES

Visitation within university residences must be managed with concern for personal safety, security, and consideration for the wellbeing of all students. Visitation is a privilege that is granted by the university because it has faith in the students’ ability to be responsible. However, the privilege requires certain understandings, restrictions, and responsibilities.

Violations of the regulations may result in immediate eviction and/or dismissal from the university and/or university housing. For the purposes of this policy, a visitor is defined as any person who does not reside in a particular residence and is 18 years of age or older.

HOURS OF VISITATION: NON-TRADITIONAL HOUSES, UPPER-CLASS HALLS

24-hour visitation 7-days/week

HOURS OF VISITATION: THE PRIDE / FIRST-YEAR HALLS

Monday – Thursday 12:00 p.m.–12:00 a.m.
Friday at 12 p.m. through Sunday at 11:59 p.m.

VISITORS

- Non-Lindenwood visitors under the age of 18 are not allowed.
- ALL visitors are required to be escorted by their Lindenwood hosts at all times. A violation will result in disciplinary sanctions.
- It is the responsibility of the host to ensure their visitors are aware of university policies and that those policies are followed.
- Each resident is approved to have only one overnight visitor at a time during the authorized hours of visitation.
- Visitors who are in violation of the policies will be asked to leave, and the host could face disciplinary action.
- ALL overnight visitors must be approved by their roommate(s) prior to entering the student’s Lindenwood residence.
- All visitors must provide either a Lindenwood Student ID card or driver’s license (if non-Lindenwood student) upon request from any university faculty/staff member.
- Lindenwood holds the student host responsible for the visitor’s actions and behavior.
- There is a maximum of two visitors per resident at a single time.

ROOMMATE AGREEMENT

Each resident will sign an agreement outlining their responsibilities acknowledging understanding of the written policy and approving visitation in their residence (signed by each resident).

Any student who lives in the residence may choose to object to their roommate(s) receiving visitors for any reason. The student who objects to visitation must register the
objection with their area coordinator in writing. The area coordinator will keep the petition on file and inform the roommate of the objection.

A student may request a new housing location if they're not in agreement with the Roommate Agreement. If alternative accommodations are available, a change will be made.

Visitation begins on the first day of the semester; however, a residence is not eligible for visitation until all roommates have signed the Roommate Agreement and submitted it to the area coordinator and the area coordinator verifies the agreement is complete.

NON-LINDENWOOD VISITOR PROCEDURES

1. Non-Lindenwood visitors must be registered via the StarRez housing portal at least 24 hours in advance. Registration requires entering the approximate length of stay of the visitor.

2. After receiving verification from the area coordinator that the guest has been registered and authorized, the student is able to have the non-Lindenwood student visit his or her residence.

The following will be considered violations of the visitation policy:

- Not escorting your visitor
- Failure to obtain prior approval from the Residential Life staff for a non-Lindenwood student
- Having an overnight visitor for more than three consecutive days outside of the authorized times. The current visitation policy allows for a maximum of three overnight stays by a visitor.
- Having a visitor outside of the authorized times
- Violation of university policies by your visitor
- Other violations related to Student Handbook code of conduct

Below is a list of disciplinary proceedings that could be applied when this policy is violated.

VIOLATION OF THE VISITATION POLICY ONLY

1. First offense –The entire residence (house or residential hall room) will lose visitation privileges for 30 days and be issued a first notice.

2. Second offense –The entire residence (house or residential hall room) will lose visitation privileges for the entire semester and will be placed on social probation.

3. Third offense –The resident and visitor may be evicted if it is a third offense for each.

VIOLATION OF THE VISITATION POLICY INCLUDING ALCOHOL

1. First offense –The entire residence (house or residential hall room) may lose visitation privileges for the semester. If under-age visitors were present, then we reserve the right to contact the local police authorities. Subject to community service hours as directed by Residential Life.
2. Second offense – The resident(s) who are responsible will be placed on social probation, required to complete an online alcohol course, and referred for counseling.

3. Third Offense – Additional sanctions up to and including dismissal from the university may be levied.

VIOLATION OF THE VISITATION POLICY INCLUDING ILLEGAL SUBSTANCES

ROOM CHANGE REQUESTS

Room changes may be requested after the first two weeks of each term. Approval for a room change is granted by the Office of Residential Life through StarRez application. Students changing rooms must follow the check-out and check-in procedures supplied by the Office of Residential Life. Any resident living in an under-occupied room/house must be prepared to receive a roommate at any time. All room assignments and changes are made by the Office of Residential Life. Unauthorized room changes will result in a $250 fine.

ROOM FURNISHINGS, POSSESSIONS, AND CARE

Students are expected to care for their rooms and residences, keeping them clean and free from damage resulting from carelessness or neglect. Rooms left unclean or neglected will be cleaned by university housekeeping personnel with the cleaning fee assessed to the student’s account. Continued abuse of university residences may result in the student no longer being able to live on campus. All furnishings provided by the university are to remain in place and not be dismantled or removed for any reason without specific
authorization. Any plans for room/house modifications beyond the reasonable introduction of furnishings must be submitted, in writing and in advance, to the Office of Residential Life for approval.

Permitted items include small portable refrigerators, electric fans, shavers, hair dryers, electric blankets, coffee makers, blenders, and self-contained popcorn poppers. Small floor-model air-cooling units are permitted; however, they must be pre-approved through the Office of Residential Life. - We recommend purchasing clothing irons that have an automatic shut off to avoid serious fire hazard.
- Weapons of any type, including decorative and ornamental, are prohibited.
- Room decorations may be hung on the walls with stick pins or small thumb tacks only in Blanton, Calvert Rogers, Rauch Memorial, Guffey, Flowers, Mathews, Pfremmer, and Reynolds Halls.

Shelves or units that need to be attached to walls are not permitted.
- Room painting is also prohibited, except when approved in advance and in writing by the Campus Facilities Office. Unauthorized painting of rooms will result in a charge to have the room repainted.
- The use of signs, flags, and pictures as window coverings is unacceptable, and except for emergencies, windows are not to be used as an entrance or exit. Controversial flags are unacceptable as room décor.
- Use of University or Government/Street signs as decoration or in residence will be subject to confiscation and referred to Public Safety & Security.

CONTINUING STUDENT HOUSING REQUEST

Each spring semester, continuing students participate in a priority housing assignment process. Students will be notified by letter and email of the dates during which they are eligible to request continuing student housing (a printed copy of the letter will be sent to their residences, and an electronic copy will be sent via the Office 365 email system).
Priority assignment allows continuing students to select their rooms and roommates for
the subsequent academic year. Students may reserve the same room in a subsequent
year by following the priority housing request process through the StarRez portal. The
selection dates for this process are in February. Students are permitted to sign up for new
rooms based upon their class year. (The class year is determined by the number of credit
hours that have been accepted by the university.) Students living in first-year residence
halls must sign up for a new room. Housing assignments will be scheduled in March on
the same day class registrations are held.

WITHDRAWAL FROM UNIVERSITY HOUSING

Students who decide not to continue at Lindenwood are required to complete an exit
process by June 1 for the end of the spring term and January 1 for the end of the fall
term. The exit process involves contacting Student and Academic Support Services
(SASS). SASS is located in the Library and Academic Resources Center.

All graduating residential students or students not returning to the university must also
officially check out with their area coordinators; they must complete the check-out
process by the last day of the semester in which they are enrolled. Student-athletes
participating in NCAA sports should refer to the student-athlete handbook for additional
requirements.

Failure to check out properly will result in the loss of the housing deposit. Prior to the
student’s departure, the area coordinator is required to assess any possible damage that
might have occurred to the residence. Rooms must be returned to their original state;
personal items must be removed, tape and staples must be removed from walls, and the
room must be left in clean condition with all trash removed and properly thrown away.
Cleaning the rooms and returning the room keys to the area coordinator is the
responsibility of each student living in the room.

information-technology/acceptable-use-policy/.

The use of personal wireless access points, wireless routers and or other devices that
degrad network connectivity of other users, are strictly prohibited in the dormitories.

Users of Lindenwood University’s wired and wireless networks are expected to take
precautions to ensure the security of their systems and the network. Users may be held
responsible for security breaches on their systems, even if they are not personally involved
in the violation.

If any telecommunication jacks are damaged or destroyed, the cost of replacement will be
the responsibility of the student. Fees start at $75.

COMMUNICATIONS

Lindenwood’s School of Arts, Media, and Communications offers opportunities for experiential learning in the field of communications at the student-run university news site Lindenlink.com; the campus radio station, KCLC 89.1 The Wood; and the university’s cable station, LUTV. These media options, along with the Lindenwood website, serve as sources of information for and about Lindenwood University. Campus activities, sports, concerts, and performances of all types are announced for the benefit of Lindenwood students and staff as well as the surrounding community. Lindenwood students operate these media facilities, which are vital in keeping Lindenwood residents and the community informed.

Additionally, the university’s communications facilities serve as learning laboratories for students in the field of communications. The main purpose of student involvement and management in the news and broadcast entities on campus is to shorten the step from classroom to career. The time students invest behind a microphone or in front of a television camera, editing a feature story, or designing a website will serve as invaluable career experience for any student choosing to enter the communications workplace.

COMPUTER LABS

Several computer labs are located throughout campus. Many computes are available for students to use at these locations. Valid Lindenwood student IDs must be presented for computer access. Hours of operation are posted. The consumption of food and drinks of any kind is not allowed in the computer lab or any computer classroom. Lindenwood IT reserves the right to block websites and services deemed inappropriate.

Classrooms are not computer labs. Therefore, students should not utilize classroom computers or space outside of a class session unless told to do so by an instructor.

EMERGENCY TEXT MESSAGE PROGRAM
The Emergency Text Message Program is designed to disperse important alerts or emergency information, such as class cancellation due to weather conditions or dangerous activities affecting the campus. All students are automatically enrolled in the service with their Office 365 email addresses and mobile phone numbers if the student provided one. Participation in the program is voluntary, and students can opt out, but the
university strongly encourages everyone to participate to ensure all are apprised of pertinent information. Visit www.getrave.com to sign into and make changes to your Rave account; a mobile app, Rave Guardian, is also available for free and provides additional security features for members of the Lindenwood community.

INCLEMENT WEATHER ANNOUNCEMENTS

Should weather conditions create potentially hazardous conditions, Lindenwood will evaluate the situation and take into consideration the safety of the faculty, staff, and students as well as the services that must be provided despite the inclement weather. After this careful evaluation and depending upon the hazardous weather conditions (e.g., tornado, snow/ice, etc.), an alert will be sent to the affected students, faculty, and staff via the Rave system (text message and Office 365) as necessary. This alert will detail the appropriate action required of faculty, staff, and students as well as the essential services that must be provided despite the inclement weather.

In the unlikely event that the university alters the normal work and/or class schedule, an announcement will be posted on the university’s homepage (www.lindenwood.edu). An announcement will also be made via Office 365, the Rave system, or by whatever means is deemed most appropriate given the weather conditions.

Separate announcements may be made regarding evening classes; evening classes are those starting at 4 p.m. or later.

CANCELLATION OF CLASSES AND SUSPENDING OPERATIONS DUE TO INCLEMENT WEATHER

Only the president (or in the president’s absence, the provost and vice president for academic and student affairs) has the authority to cancel classes in the event of severe weather. The university maintains its teaching, research, and service activities in accordance with established schedules and operational demands. To this end, suspension or cancellation of classes due to inclement weather will be avoided whenever possible. Because certain essential functions of the university must be provided at all times, campus operations will not be suspended in the event of severe weather even when daytime classes are canceled.

FIRST-YEAR PROGRAMS

The Office of First-Year Programs is committed to providing first-year students with the support and resources needed to have a successful transition to Lindenwood University. This office facilitates a retention program for first-year students, provides services to enhance their academic and personal development, and works towards fully engaging and integrating first-year students into the university community. Some of the key programs managed from this area include: New Student Orientation, Freshman Seminars, Learning Communities, and Freshman Council. All traditional undergraduate students who are attending college for the first time and transfer students with fewer than 24 credits are encouraged to utilize the support services of First-Year Programs. The office is located in the Library and Academic Resources Center and can be reached at 636.627.4627 or fye@lindenwood.edu.
IDENTIFICATION CARDS
Student identification cards are provided at no charge upon registration, and cards may be obtained at the Help Desk, located in the Library and Academic Resources Center. The identification card is to be carried at all times. Students are required to present their ID cards at the request of all university and residence hall officials. Many student facilities also require a valid ID card. The ID is required to obtain meals at the cafeteria, to use the library, to cash checks at the Business Office, to use the Recreation Center and track, and to attend various social, theatrical/dramatic, and athletic events. A replacement fee of $15 is charged for lost cards. The ID card is not transferable, and any alteration invalidates the card.

INFORMATION TECHNOLOGY ACCEPTABLE USE POLICY

At its discretion, the University reserves the right to restrict or deny the use of its network facilities and capabilities. The entire policy is located at www.lindenwood.edu/academics/support-resources/information-technology/acceptable-use-policy/.

INTERNET AND ACCEPTABLE USE POLICY

- Respect the rights of other individuals and not use language that is abusive, profane, or offensive;
- Avoid seeking to use sites that have been blocked from access.

**OFFICE 365**

Office 365 is the Lindenwood email system for all enrolled students. Office 365 can be used for personal or academic-related purposes. Lindenwood University faculty and staff will utilize this communication medium to provide important, official university correspondence. It is the students’ responsibility to frequently monitor their Office 365 email accounts to ensure they receive updates from various faculty members, staff offices, or university constituents. Failure to do so may result in missing important deadlines, opportunities, or other critical information.

Students may access their Office 365 account by going to [www.lindenwood.edu/academics/support-resources/information-technology/it-applications/office-365/](http://www.lindenwood.edu/academics/support-resources/information-technology/it-applications/office-365/).

A student who does not remember the Office 365 username can have it emailed by following the directions on this page: [applylu.lindenwood.edu/newappportal/RetrieveUserName.asp](http://applylu.lindenwood.edu/newappportal/RetrieveUserName.asp).

**LINDENWOOD EMAIL SECURITY**

Protecting the Lindenwood network and the personal information of our students and employees are vital to the successful operation of Lindenwood University. Lindenwood IT has implemented Lindenwood Email Security, a hosted email security quarantine tool designed to identify and block questionable emails. Questionable emails are sent to a personal quarantine inbox. You will receive a daily digest email of all quarantined emails. You can also access quarantined emails by going to the Quarantined Emails page or clicking on the shortcut icon on your desktop.

Lindenwood IT recommends regularly scanning the quarantined messages to ensure that Lindenwood email security has not caught legitimate email. Although nothing is required, you have four options within the quarantined inbox.

- **Delete-** This option deletes email from quarantine.
- **Delete and Block Sender-** This option deletes email and adds sender to the locked list.
- **Deliver-** This option delivers email to your inbox.
- **Deliver and Approve Sender-** This option allows you to deliver email to your inbox and add senders to your approved list, ensuring no further emails are quarantined from that sender.

By taking specific action on the quarantined message, you are actively contributing to the efficiency of your personal stream. If you take no action, you will continue to receive daily reminders of any new or outstanding content in your Lindenwood mail security inbox. Quarantined content will be automatically deleted after 30 days.

For further information on best practices in information security, please visit the Lindenwood University Cyber Security website at [www.lindenwood.edu/cybersecurity](http://www.lindenwood.edu/cybersecurity).

**MAIL**

All resident students may request mailboxes. The university is not responsible for lost mail packages. The student mailroom is located in Evans Commons. The university recommends that students use the following address: Student name; Lindenwood University; Box Number; 209 S. Kingshighway, St. Charles, MO 63301-1695.
Mail is delivered daily, Monday through Sunday, although only limited service is available on Saturdays and Sundays. Students will be notified of receipt of oversized items for pickup through the Office 365 system. Students are encouraged to make a habit of checking this system on a daily basis, as unclaimed mail is returned to sender after 14 days. Each spring, students who wish to retain their mailboxes for the upcoming year must contact the mailroom to make reservations to do so. Reservations can also be done on the Lindenwood website. All mailboxes are closed for the summer; therefore, all students must empty their mailboxes prior to departing for the summer. Mail left in the mailboxes will be returned to sender. The only exception to this is for students who will reside on-campus for the summer; they may keep the mailbox open for the summer if they make arrangements with the mailroom prior to the end of Finals Week.

WRITING CENTER

The Lindenwood University Writing Center, located in the Library and Academic Resources Center, is designed to help students with all aspects of the writing process. The Writing Center emphasizes a personalized, collaborative approach that helps writers gain confidence and competence in their writing abilities. The primary operational technique is a one-on-one (face-to-face) interaction between the writer and a writing consultant. Online appointments are also available. Consultations utilize and emphasize basic principles of the writing process—journaling or free writing, drafting, peer response, and revision. These consultations generally last from 30 minutes to one hour, and students are encouraged to return for additional visits. Students are encouraged to go to the Writing Center on a voluntary basis, though at times, professors will refer students to the center.

STUDENT EMPLOYEE PROGRAMS

PROGRAM OVERVIEW

A student employee performs as both student and employee. As a result, such individuals are expected to complete important institutional tasks while maintaining high academic standards. Student employees are expected to recognize their dual status, as well as understand that a student employee position is not just a job but a privilege that comes
with outlined responsibilities and expectations. Student employees are required to adhere to the policies and procedures outlined in both the Student Guidebook and the Employee Guidebook.

**STUDENT EMPLOYEE ELIGIBILITY**

Lindenwood offers both part-time and full-time positions. Students interested in employment with the university must complete an online application through Workday. All applicants must be enrolled in classes for the current term unless applying or working over the summer. Students working or seeking employment over the summer are not required to be enrolled for the current term but must show enrollment for the upcoming term (QTR or SEM). In order to maintain employment within the Student Employee Program, students must adhere to all policies as outlined in the Employee Guidebook and the Student Handbook, as well as, maintain good standing with the university at all times. Student employees placed on academic or social probation are not eligible to participate in the program. Additionally, student employees are expected to meet all university-related financial obligations throughout their employment. Should a student be released from academic or social probation or a business hold, the student will be eligible to reapply to the program. Positions will not be held open for students, and re-hire into the program is not guaranteed. In order to be released to work, all student employees must complete their onboarding and orientation tasks. Human Resources will inform both the student and the supervisor when all tasks are completed and the student is eligible to start work. Additionally, student employees have 30 days to complete the required compliance training sessions for continued employment.

International students are also required to obtain a Social Security Number prior to working. The International Office will complete a Social Security Number request form based on employment eligibility. The Human Resources Office will confirm the request and the student will apply for a social security card at the Social Security Office. Once the international student obtains the Social Security Number, he/she can begin working pending all other hiring requirements are met.

**AUTHORIZED WORK PERIODS**

Positions in the student employee program are based on calendar cycles, which dictate when positions start and end. Calendar cycles are communicated with student employees through the hire letter. Most student employee positions are between 36 and 40 weeks in length. Work is not permitted outside the calendar cycle dates for these positions.

Fifty-two-week student employees can start working up to four weeks prior to the assigned start date prior to the start of their term if enrolled in classes for the upcoming semester. Fifty-two-week student employees can also work for an additional three weeks when not enrolled in classes up until graduation. For either situation, the supervisor must contact Human Resources for approval and must be able to demonstrate a need for the deviation from the assigned work period.
