HOW

The best curriculum around

Freedom and flexibility

Peer-to-peer support

Professional development

A classroom concierge

Founded in 1991, Youth Entrepreneurs is a nonprofit organization that equips young people with the values and vision to pursue their dreams. Our goal is to inspire students to break through barriers, take control of their own futures and seize opportunities for good. That's why we've made our unique, hands-on curriculum available to implement in your classroom—for free.
