

LINDENWOOD

U N I V E R S I T Y

Dear Educators,

We encourage applying to Lindenwood University at least one month before completing your Credit4Teachers course. **When registering, select the academic semester in which you will finish the course.** For instance, if you plan to complete the course in Spring, register for the Spring semester.

See our [Frequently Asked Questions](#) and [Academic Terms](#) to better understand our timelines.

1. Lindenwood Application:

- Complete the Lindenwood [workshop application](#) each time you register in a Credit4Teachers course. Select the correct term and course. Select “3rd party payment” since you already paid Credit4Teachers the course fee.
- **Graduate credits are nonrefundable.** Participants are strongly encouraged to verify with their school districts to determine if this graduate credit is applicable. These may be applied, in most cases, to satisfy CEUs or professional development requirements (plus hours) for salary advancement or licensure renewal. It is up to individual school districts and state certification renewal requirements as to whether they will approve these graduate credits.

2. Grades, Transcripts, and Student Portal:

- **Grades are available approximately by the third week of each month, given you registered with Lindenwood and completed the course in the previous month.** (For instance, if you completed the course and applied to Lindenwood in July, your grades will be available by the third week of August)
- Unofficial transcript or billing statement can be accessed three weeks after the registration through the *Student Portal* - [My Lindenwood](#). For Lindenwood student login credentials, please call IT (636)- 255-5100 or email [IT Helpdesk](#) with your full name and initials as per our records. **Note:** *If grading or registration is a work in progress, courses and grades will not reflect on the unofficial transcript.*
- An official transcript may be ordered online through [Parchment](#). Official transcripts are sent directly to a district, employer, or student and bear the university seal.

If you have questions, feel free to reach out to Lindenwood University Professional and Continuing Education (PACE) at k12pd@lindenwood.edu.
