

LINDENFIRST FAQ'S

IS LINDENFIRST MANDATORY?

Participation in the First-Generation Bridge Program is completely optional and is not required for enrollment at Lindenwood University. If you RSVP "Yes," you are committing to attending all scheduled Bridge Program events.

WILL I HAVE HOUSING FOR THIS BRIDGE PROGRAM?

If you are a residential student, that is living on campus, you will move in early to your assigned residential hall for the academic year. If you are a commuter, we are not able to provide housing for this experience, but encourage you to participate in this program!

WILL MEALS BE COVERED?

Meals will be provided for all students that register for LindenFirst.

DO I HAVE TO ATTEND ALL THE SESSIONS?

Students that register for our program will have to attend all of the sessions.

CAN PARENTS PARTICIPATE IN LINDENFIRST?

We welcome all parents and supporters to campus to help their students check-in, complete move-in expectations, and unload into their new spaces on campus. We will hold an optional Parent/Supporter orientation session, but all other sessions are intended for our incoming students.
